THE CLOSING HOURS. The Assembly Concludes Its Business and Adjourns

> Dally Guard, May 25. YESTERDAY APPERNOON.

made the simple formal report.

The report of the committee on fed-seemed as if the Holy Spirit was pres-

to the next assembly. The moderator appointed, Rev A B Miller, Waynesburg, Pa, Rev B D Cochrill, Tehuacana, Texas, Rev R M Tinnon, Lincoln, Ill, Hon E E Beard, Lebanon, Tenn, Hon W E Settle, Bowling Green, Ky.

A motion to adjourn was carried and roll call followed. Rev. Benj. Fuller offered prayer, and after the singing of the doxology the moderator pronounced the benediction, and the assembly stood adjourned to meet again on the 3d Thursday in May, 1895, at Meridian, Mississippi.

Welcome or better arranged and completed entertainment.

Rev. T. N. Williams had "caten more, slept more, and enjoyed himself mote, than at any Assembly. I have enjoyed myself hughly.

Rev. A. B. Johnson, the Choctaw Indian missionary, in his good hearted and feeling manner expressed the prevailing sentiment.

RESOLUTIONS OF THANKS.

Eugene for their generous hospitality; to the trustees of the university for the use of the assembly hall; to the pastors of the city and surrounding country for the use of their pulpits; to Miss Ella Loomis, the young lady who so knew full well the credit belonged kindly presided at the organ; to Miss Wilder Campbell who kept the post-office; to the local press for its consideration in reporting the assembly news; to the choir for their charming music; his church and the people of Eugene the band that entertained us so pleasantly; to the schools of the city for their visit to the assembly, and to the citizens in general who have made our Judge Walton also remarked that

MRS. WOOSLEY'S SERMON.

It had been previously annou that Mrs. L. M. Woosley would preach at the C. P. church last evening, but as the Assembly adjourned in the afas the Assembly adjourned in the afternoon the appointment was changed to Villard hall. The room was filed when the services began. A number of the prominent ladies among the Assembly visitors and of Eugene occupied the platform with the others.

After the usual opening hyms and

Her discourse was submitted in two "As God is unchangeable so now, as it ever has been in the history of the human race, the door of usefulness will be opened to each and every person by him.

The most golden opportunities of I fe are governed by the certainty that control all opportunities;

avail the opportunities now open for mission work in the large cities of the West. She spoke of the cities of Denver, San Francisco and Portland, those points which have been referred much during this Assembly. And although she was allowed no voice in that body she had been given, in this service, an opportunity to speak on the subject which was evidently nearest her heart.

"An opportunity has been opened fore the Cumberland Presbyterian

found the way had been gument. The speaker was introduced by Dr. T. W. Harris, in a few well prepared for them.

The application she left largely to chosen remarks. The Eugene brass band furnished some excellent music

Public School Display.

The pupils of both the Geary and Central schools brought some of their work for display in the latter building vesterday. The teachers arranged the of the Cumberland Presbyterian display on tables and on the walls of church convened in this city May 19 three of the lower rooms so that visi-tors could examine the work very con-

Several hundred visitors were shown through the exhibit yesterday afternoon and a number this morning. The children of both schools were lso assembled at the Central building this morning and allowed to inspect

The exhibit is much the same as last year although there is a very perceptible improvement of the quality of the work done in each grade. In the primary department the work is largely of the kindergarten character, but to next grade in each school has display ed work requiring more skill in drawing and miscellaneous work. I'll written work in language, arithmetic

The report of the committee on federation was again called up and discussion began. Rev. Richards moved to reconsider the motion to defer assign to necessary the Assembly.

Bev. J. H. Miller, spoke against the idea of silopting the articles of federation at this time on the ground of insufficient consideration. He made one of the most practical addresses on the subject.

The work also spoke in favor of feaution, Rev. J. W. Henderson faved caution until the opinion of the presysteries in the body of the church might be obtained.

The vote was taken and the report of the committee on federation was against the discussion began. Rev. Richards moved to reconsider the motion; lost.

Rev. J. W. Henderson faved the motion; lost.

The Eugene Band arrived at the sum of the presented has appreciation and an aparticular feature of this assisted in the blackbeards was mostly of flowers done in colored chalk, on paper, is the development of same strain, also Dr. Fullerton and Rev. F. M. Moore.

Gent. H. H. Norman spoke of the generally admitted contention that the swetest words in the English language are "Mother, Home and Heaven," but the members of this Assembly, with himself, were now anx.

A resolution was adoted a mountage that it is necting and almounced that short speeches of farewell would be in any or any advanced that and a particular feature of this assisted in the work on the date of subject and then some pencil work in any or any and then some pencil work in any drawing. Higher ap the drawing includes physiclogy, flowers and architecture and finally portrait drawing architecture and finally portrait drawing. The work on the blackbeards was mostly of flowers done in colored chalk and a particular feature of this as well-as and a particular feature of this as attained in while with us.

Fourth, That we deed may any advanced geography rapidly legits next in any drawing. Higher ap the drawing the drawing of the work on the blackbeards was mostly of flowers done in colored chalk and a particular feature of this as a The vote was taken and the report rejected.

A resolution was adopted appointing Rev. G. B. Russell financial agent of this assembly in the founding of an orphan's home, and requiring a report from him at each succeeding assembly.

A molion carried providing for the reference of the whole matter of federation to a committee of five to report to the next assembly. The moderator to the next assembly. The moderator and children, but he desired to say he riticism equal to that of amateur artists. Some of the portraits and build-

ings were especially conimended by The grammar diagrams and compo sitions in the language work as well as the arithmetical display all gave evi-dence of careful interest on the part of teachers and pupils alike, some of the former work showing a knowledge of literary writers and their work which one would not anticipate in the intermediary grades of a public school.

mediary grades of a public school.

The display was arranged quite artistically and the teachers of both schools lowa, is the guest of his uncle. Frank Wilkinson. This is his second visit to Wilkinson. This is his second visit to Just before adjournment, the following resolutions were offered and unanimously adopted:
