JULY 21. Another state, Utah, has taken her place in the union.

from all accounts has done but little damage.

For a wonder Governor Pennoyer has not during the last few days discovered another innocent pardon.

turns out bad. December and May state. are too far apart and the latter too often finds a June. A case in point has given the gossips of this community a chance to wag their tongues.

The difficulties of printing a paper in Eastern Oregon, during the flood and strike is illustrated, in day. two senses, by a copy of the La Grande Chronicle, just received, printed on the back of a flashy show tion at Camp Creek last Sunday. There were about twenty-five representa-

In France prune trees do not come into full bearing until they are ten years old. In California they are said to reach the period of full bearing at the age of six years.

A Lexington dispatch says that Congressman Breckinridge and Mr. Owens addressed large audiences at gers. She wooded up the night before Donerail and Muir, in the Ashland so as to be ready, and stopped at no district today. There were many ladies present at both meetings. They threw bouquets at Breckin-ridge by dozens, and the pious ones were shocked when he compared at Pillar Rock, 14 miles above Astoria, them to the women of old, who the steamers were about even. Here

with attempting to run the trans- her superior speed. portation system of California by force of arms, invaded a court room, in arms and uniform the other day, while a session was be other day, while a session was be of a circus. One of the chief attrac-ing held to determine a habeas cor-tions of the show was a troupe of perpus proceedings. When the sol-diers are needlessly used to supplant civil authorities they are plant civil authorities they are plished of them all, would favor the very likely to overstep the safety audience with a piano-forte solo. Acline. The army knows no law being blindly subject to the orders of a commanding officer.

cotted certain breweries; and one cotted certain breweries; and one after another the breweries began standing in with the boycotted co-temporaries and began in turn to come under the ban of the boycotters. The peculiarity of the situation is, that if the boycott is kept up all the breweries will be banded together and the socialists will have to let go, or go without beer. Thus the one case where the strike or boy- lieved that \$800 will be sufficient. cott will make its effects felt where they will do the most good.

salaries of state governors does not timber. amount to \$5000 a year. Oregon's is only \$1500. The governors of only three states receive as much is not so profitable as it used to be. The as \$10,000 a year salary, but in number of licenses issued by the city fore 11 Dets came down from his cell strike off on the Southern Pacific system that pay \$5000 a year and more, loons, 281; restaurants, 11; wholesale liquors, 281; restaurants, 11; wholesale liquors, 281; restaurants, 11; wholesale liquors, 2810,000 and more liquors, 2810,000 and 2810,000 an

man. I know of other members of my profession who have felt com earn their bread and butter; and I ing a tame fowl found in the gizzard a say this now on my own responsibility, and I have never said it before, that it is not possible for a lawyer practicing in the city of New York to acquire a practice and earn a living purely upon his merits, because Tammany Hall has its, because Tammany Hall has able diamond ring in a neap of rubmade that impossible.

Steel is now cheaper than iron. It seems hardly possible, but the that with the aid of two men it will estimates of cost in a recent bidding for a bridge in Pennsylvania to
be made with steel stringers and
steel rivets was lower than a like
estimate for the same bridge made
with iron stringers and iron rivets.
Four bids were made, and in each Four bids were made, and in each case the bridge could be made | Portland is calling for a revision of cheaper of steel than of iron. The its assessment rolls and a reduction of successful bid was \$1965, as against valuations of at least 25 per cent. Or-\$2157, which was the lowest bid for as popular as they were a couple of the iron bridge. Owing to the years ago. greater strength of steel, the weight of metal in the steel bridge is much | Washington, July 17.—The president from the coast in 18 without a suit against the company. | Sr. Paci, July 17.—The first North-coast in 18 without a suit against the company. | Sr. Paci, July 17.—The first North-coast in 18 without a suit against the company. | All trains are annualled until further

The bill by which Utah was admitted as a state provides for holding a constitutional convention to G. v. meet next March. A peculiar re- Eugen quirement in the bill is that the constitution shall provide by ordinance, irrevocably without the consent of the United States and the Self binders are at work saving people of the state, that perfect tolthe early grain. The wheat aphis eration of religious sentiment shall be secured, and that no inhabitant of the state shall ever be molested on account of his mode of religious worship, provided that polygamous or plural marriages shall be for-ever prohibited. The government man in the penitentiary. Perhaps provides liberally for colleges, etc., no one has made application for a donating about one million acres

of sixteen hundred hop poles for his yard near Eugene.

this morning Wednesday's Salem Journal: Mrs. E. J. Eastham returned to her home at Eugene yesterday afternoon after a visit with friends

Will A. Peairs, agent for the Chamberlain remedies, arrived on today's train. It generally takes him about a week to work Lane county.

J. S. McClure, who has been visiting several weeks at the residence of his uncle, A. S. McClure, of this city, started on his return home to Topeka, Kansas, this morning.

F. T. Whitcomb and wife left Tuesday night for San Francisco, where they will hereafter reside. Mr. Whitcomb has secured a position as foreman on several large contracts near that

Hath Sides Seem Determines.

Washington, July 18.—Speaker Crisp says there will be no report from the tariff conference committee today. The house democratic leaders evidently think it might prove expedient to carry out the plan of reporting a total disagreement and asking for instructions, as such a report—would—only—empha-size the character of the difference, and should the senate—and—house—instruct their conferrees to stand by their respective positions it would precipitate a deadlock. One of Mr. Crisp's closest advisers said the report would probably come in tomorrow. The house con-ferrees desire to make a partial report of such agreements as are possible and ask for instructions upon it, subject to disagreement. The senate conferrees have stood for agreement or disagreement in toto. The democratic conferrees today made another ineffectual Pennie, in connection with the lightle effort to reach an agreement, and adourned with the understanding the

Corman and the Tartff.

New York, July 18.—A Washington dispatach to the Evening Post says senator Gorman is quoted by a Missouri representative as saying to a are a saying to a morning. It is reported to at the captain group of democratic representatives: of a Stockton military company is under arrest at Dunsmiir. The town control, the McKinley law and the senate bill. You can take your choice." This is believed to be the tariff measure here crowd.

At Least They Seem Contented. CHICAGO, July 18.—President Debs passed a fairly comfortable night in jail, and early today ordered a good breakfast from a neighboring hotel. He refused to see interviewers.

their night's experience in jail.

"I had the best night's sleep I have had for a month or more," said Debs.

here until next Monday at least."

President Dels then fell to Jooking over the mail. Secretary Keliher, while waiting his turn in the barber's chair said: "We are enjoying this resource of the mail." pite from work."

HOWARD'S SENSATION. At the county jail today Vice-President Howard of the American Railway Union, made the following state-

"This thing is going to be a test case We don't consider ourselves bigger than the law, and incidentally think the railroads aren't. We are getting some evidence for the coming legal battle. Here is a letter telling of evidence that most of the freight car burning in Chicago was done by two men in the em-ploy of the General Managers' Associ-ation. The secret agents of a certain company saw two men going through the yard with a hand car loaded with inflaminable waste, which they lighted and systematically threw among This agent overheard a conversation between the men from which he gleaned they were to receive \$200 down and \$300 more when the job was done. This understanding was before the troops were called out. An effort is now being made to arrest these two We further have pretty positive

At the American Railway Union headquarters there was a larger crowd today than for severni days past. The action of the authorities was severely criticises). The usual cinim that the strike is still on is made.

The Things EXCLUSIVE The Things We Prize Most

are not the gewgaws and gimeracks we gather about us. Every life, of course, has its sacred tinseled treasures, but in this practical work-a-day world man is prone to value most those things which serve him best. Not much sentiment in this, per-haps, but some sense all the same.

The McCormick Machine of Steel

takes first rank the world over. Hundreds of thousands of grain Hundreds of thousands of grain growers call it the best harvester and binder that ever went into a grain field, and they prize it accordingly. It isn't sentiment with them—it's just plain, old-fashioned common sense. They like it best because it serves them best.

It costs more money than some harvesters, but that's because it's more valuable. Its advantages more than offset the added cost.

than offset the added cost.

The "Machine of Steel" is built to harvest the grain crop of the world, and to do it better than any

Perhaps you may care to know more about this harvester. Our catalogue will McCORMICK HARVESTING MACHINE CO. Andrew Svarverud, Agent, Eugene.
