In fact they turn out better preme court. than the offspring of the rich, who country.

January should abolish a lot of commissions, repeal a lot of useless acts, boil down the appropriations—and scatter to its homes. If the members will do this they will earn the lasting gratitude of the citizens of Oregon and accomplish more good than any legislature for answer. We are on the way to Washington in the way to Washington in depretation of affairs Queen Liliuokalani abdicated under protest, and is waiting for her answer. We are on the way to Washington in the conference say it stands very much as if an agreement would be made to the house. The senate conferrees say it stands very much as it has stood all along. The house conferrees say it stands very much as it has stood all along. The house conferrees insist that if the bill is reported back on the lines they ington to receive it from President clearly the senate to pass it, a number of useless and expensive adopted a constitution and preclaimed and urge the senate conferees to give appendages, though a few days be devoted to passing a maximum freight and passenger act. As they freight and passenger act. As they will not do this, let them not beg will be successful in our mission." off by perpetuating a useless rail-road commission "with enlarged death lurks in the big vineyard near powers.

missioners state that affairs in their lines are very quiet just at present." Since the railroad fenced a considerable portion of its right of way through the western portion of the state they are readjusting and collecting losses on the heart. The local medical fraternoid cows for applicants. This relity is greatly puzzled. lieves them from considerable hard | Another Account of the Battle. work. Another point in their fav-or is that their last raise on rates of have just reached here of a desperate freight was as high as the railroads. Japan, in which the Chinese were who have no conscience, could feated and the Chinese were defeated and the Chinese were was sunk, and two other Chinese were defeated and the Chinese were d salary, and look forward to the day when the railroad tracks and bridges must be inspected from the interior of a Pullman car, not boy-cotted, traveling thirty miles an interior of a Pullman car, not boy-cotted, traveling thirty miles an interior of a Pullman car, not boy-cotted, traveling thirty miles an interior of a Pullman car, not boy-cotted, traveling thirty miles an interior of a Pullman car, not boy-cotted, traveling thirty miles an interior of destroyed. The battle was hotly contested, but the battle was hotly contested

A Cool Murderer.

Los Angeles, Cal., July 31.—There is an immense crowd in front of Just-ice Scaman's court, where murderer Craig is under going a preliminary examination for the nurder of his wife. Craig has sat in the court mom all the morning as cool as an iceberg, and directs the examination of the witnesses. He turns and gazes at the immense crowd without the least sign of fear or cringing. The chief of police has en-deavored vainly to disperse the crowd which has gathered around the door. The testimony of Fannie Jansen, a servant girl at Hunter ranch, is that neither victim of Craig there was armed and that neither had spoken to Craig before the shooting.

Hop Intelligence.

The market has been very quiet. Buyers would take some hops if they could be seemed at the prevailing low prices. The vine for the growing crop looks well as a general thing so far as The little Japs appear to be too lively for their almond eyed brething we can ascertain. Without further drawbacks, an average crop should be harvested.—Otsego Republican.

Some ad sees from interior New Portland Daily Telegram: York were rather less favorable, but the majority were to the effect that Preacher or no preacher, the man the vine is promising well, and that who deliberately insults a woman, fallen or not fallen, is not traveling home to God on the road our fathers trod.

hops of last year's growth are obtainable at late lowest prices. Buying is on a moderate scale, and contracts for new crop are hardly up to the average for the season.—N. Y. Journal-Builetin.

The vine is now in a thriving condiagainst China and something out tion and prospects point to a large of the Oriental ordinary manner of grop, consequently all holders have befighting may be expected. Milbarn Springs Items.

Aug. School commenced Monday under the management of Mr. Park. Clarence Kelton, of San Francisco, paid the springs a flying visit last week.

H. Hadiey, of Eugene, loft for his home yesterday, with the expectation of returning in a few days.

Uncle John Bailey has rentoved his family to the springs. They will re-main here a couple of weeks.

springs. We are pleased to learn that Frank Blanton has greatly improved in health.

Two children of Mr. Troutt have been quite sick this week, but are H. Briggs, our nightwatch, has left \$1.00. much improved at this writing. for his home, where he will no doubt permanently reside.

Mrs. Withers, of Paisley, is visiting her daughter, Mrs. Charles Hadley, at Miss Ollie Brown has returned to her

The growing crop is doing splendidly and no appearance of vermin is reported.—Hamilton Sentinel.

Quite a number of campers came up from Smithfield yesterday; H. Lem-ley and wife, Mr. Fisher and family, accompanied by others. J. H. Lee and wife of Wallace butte visited F. Greenshaw a couple of days this week, and caught 150 trout.

We see in the Belknap Items where a certain gentleman had quite an ex-perience with a trout. Now this is no trout story at all, for one L. J. Brown, of this place, was surprised the other evening when a large trout that weighed in the neighborhood of 140 pounds seized him by the arm. Young Brown did not get excited, as it ap-pears our McKenzie friend did, but walked off with the prize to the dissatisfaction of several other young men standing by. Now if anyone should doubt this being the case, they are most respectfully referred to H. Had-ley of Eugene, or Frank Blanton of the

Witt Cut Off China's Supplies. LONDON, Aug. 1.—A dispatch just ceived says Japan made a formal claration of war upon China today. Lord Kimberly, upon receipt of notice from the Japanese minister that war and been declared wired all the British representatives abroad to warn the captains of merchant vessels of the fact in order that they might form their cargoes accordingly. Any contraband ware comprised in the cargoes will be handled at the risk of the owners of

to open this morning.
