Eureka!

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is best medicine in existence." 25 and 50 cent bottles for sale by

Of Interest to Mothers.

The success of Mrs. Annie M. Bean, of McKeesport, Pennsylvania, to the treatment of diarrhea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhea very badly. I got some of Chamberlain's Colic, Cholera and Diarrhoea Remedy from Rev. Mr. Chapman. It cured both of them. I know of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by
