NEXT SESSION OF THE TRANS-MISSISSIPPI COMMERCIAL CONGRESS.

The next session of the trans-Mussissippi commercial congress will convene in St. Louis, on invitation of the Merchant's exchange of that city, on Monday, November 26, 1894, and will probably continne four days. This date has been selected with the special view ably able article on Napoleon, of securing the attendance of Western members of the United States the album scheme, surely, not by congress en route to Washington any person connected with the pa-

for the re-assembling of that body. The territory embraced in the and liberality. In speaking of the cludes all states and territories lying west of the Mississippi river, appeared: "Every one who has and those small particults of Louis, his way to make in the world and those small portions of Louisiana and Minnesota which lie east of it.

The object of the congress is to discuss all questions affecting the interests of the people in the fore-going territory, which may be the subject of legislation by the United States congress, and to express to it, States congress, and to express to it, day during them that monopoly through resolutions and otherwise, was but the vision, the fantasm of the sentiments of the Western peo-ple. It will also endeavor to take the anarchist's disordered brain. such steps for the presentation of With sledge-hammer blows and these resolutions to that body, as will command its attention and ac-

most likely to be prominent are: The remonetization of silver, irrigation of and and other lands; the lands; the Nicaragua canal; a national bankrupt law; the improvement of Western rivers and harbors; anti-option legislation; mining laws; admission of territories to statehood.

The governor of each state and territory may appoint ten delegates.

Each county is entitled to one "Little Corporal" and thereby delegate, to be appointed by its "nin courage. Law pleased to see commissioners or judges,

The mayor of each city may ap point one delegate, and an additional delegate for every 10,000 population, provided, however, that not more than ten delegates shall be thus appointed from any one city.

Each commercial body, or business organization, may appoint three delegates, and one additional delegate for each 100 members.

Ex-presidents of the congress governors of states or territories west of the Mississippi river, and all members of the U.S. congress are ex-officio delegates, with all the privileges of appointed delegates, except those of voting and election to office.

eration. It is predicted that our grandchildren will not have hands large enough to reach an octave on the piano.

Times, Oct. 6. The Times has entered upon the fourth year of its exists nee.

A. G. Kirk is quite seriously ill at the residence of Mrs. Eccleston. A. J. Thompson moved from Eugene Monday and is living in the Sternberg property. He is engaged in buying and shipping positry.

F. U. Hickok and S. L. Moorhead will represent the K. P. lodge of this city at the grand lodge Knights of Pythias which will meet in Portland next Tuesday.

Mrs. M. B. Pitney killed a couple of chickens the other day and found a S small nugget of gold in each of them, having a total value of \$1.50. As the chickens were raised right here in town the question naturally comes up, where did the gold come from? M. B. wants his wife to kill every chicken about the place. Seventy-five cents per head besides the chicken makes pouliry raising quite profitable. If much more gold is found we will such around and stake off a claim in Mr. Pitney's back yard.

Elder Skaggs, accompanied by Mrs. Keilems and Miss Frankie Miller, will leave on the 14th for Kansas. The elder will visit old friends for a few elder will visit old friends for a few wecks; Miss Miller expects to remain there for a year. Mrs. Kellems will join her husband who is located at Elk Uity. W. G. Plekett and Ed Gay will leave on the same train for Texas. Mr Pickett has business interests in Dallas and will not return until February. Mr. G. expects to engage in business interests in that city.

Sorthern Pacific Management.

NEW YORK, Oct. 5 .- It is reported that an agreement has been reached between the Northern Pacific receivers and President Ives, whereby the latter will have more voice in the manage-ment of the affairs of the company. In consequence of this agreement, it is stated, President Ives will form a syndicate for the purpose of purchasing the \$5,000,000 receivers' certificates, to run three years, when authorized by the court. It is also given out that the Chicago & Northern Pacific bondholders' committee has decided to the court. bring suit to recover upwards of \$6,-000,000, which, it is alleged, after expert examination, has been wrongly diverted in the purchase of property by the company.
