He Says His Hig Majority Came From the Silver Plank SAN FRANCISCO, Oct. 16. - Judge William P. Lord, governor-elect of Oregon, is a guest at the Palace with his wife. Judge Lord and his wife expect to remain in the city for a few days, and will then leave for the East

as may seem proper.

"There is a growing sentiment in favor of the free coinage of silver," said cal situation in Oregon at the Palace on "The last evening. "That is only among tion." the masses, however, and not among other Southern Oregon towns in the commercial classes. The way in near future which that subject was handled in our platform had considerable to do with the success of our ticket. I find that the people in Oregon attribute the industrial difficulties, the decline in the mers now have to travel a long way to price of products and the depreciation of property values to the demonstration of silver, and they believe there. tion of silver, and they believe there are all, practically, bimetalists, but the question of whether silver should be hereafter to carry an equal number of restored through national legislature each. or by international agreement is the The commercial classes are bimetalists, but only in the sense that they believe bable, therefore, that a part of the silver should be restored through an plunder, at least, has been hidden, and but only in the sense that they believe silver should be restored through an international agreement. That will never come, in my opinion. England would never agree to it. The republicans declare themselves in favor of the restoration of silver through national legislature. That plank in our plat-

form was one of the causes of the big republican victory in Oregon."

Attempted Robbery.

Hillshoro, Oct. 16.—A desperate attempt was made to rob the First National bank of this city last night, which was functored by the company. which was frustrated by the coolness of J. W. Shute, president of the bank. Mr. Shute was walking along the road to the farm of John Sewall. When about 3 miles from town, at a lone some spot, four masked men stepped for A. Goldsmith, is now an insurance out into the road and ordered him to agent.

A many took him in a clump of thick brush by the road side, and haviand this morning for a few days visit ing bound him, searched his pockets with friends, and took the keys of the bank. They then under penalty of death compelled him to give them the com-bination of the vault. Two of the men started for town to the bank, while the others remained as a guard over Mr. Shute. After a time they returned and reported they could not get into the vault and that Shute had given them the wrong combination. After where they will probably locate. them the wrong combination. After considerable paricying and many threats they started towards town with Mr. Shute, but when the outskirts of the city were reached, they turned him loose and went off. By this time it was about 5 o'clock, and Miss Mabel Craw is confined to her room with stekness and is threatened with typhoid fever. Mrs. Geo. F. Craw is now recovering nicely.
