Eugene City Guard.

can farmer need have no fear of practical. competition in the "home market." It is the restriction of the foreign market, in which the prices of farm

Maybe the Telegram editor never pays taxes so had no practical opportunity of ascertaining the fact

C. W. Fulton, of Astoria, recognizes the potency of the free silver question and is an avowed candidate for the United States senatorship. Dolph is not in touch with the people of the state on this ques-tion. Some of the leaders of the republican party have held plat-forms fairly on the gold side of the contest, but they did not in the least represent the mass of that party. Nine-tenths of the people to its demonetization in 1873.

the eldest son of Lord Rothschild, that is comparable, except, perhaps there is not a single son of the male Barons Rothschild who is competent to take the place of his father safety-valve of a big boiler. in the firm. The sons of the Paris Rothschilds are both physically and mentally stunted, the result of too close intermarriage—a practice the object of which has been to keen the measurement of keep the money in the family and the five-headed bank from leaking out. The total fortune of this great house is estimated as being over \$2,000,000,000. over \$2,000,000,000.

The commanding general of the army asks an increase of the force and his subordinates, as in duty bound, re-echo the cry. The standing army of this country is large enough. The work of controlling Indian tribes by military force is about at an end and it appears to be the policy of the army vivoles to be the policy of the army circles to concentrate forces at important cities and railroad centers. Except in cases of aggravated strikes or riots there will be little use for a regular army except for dress parades, and to give strutting uniformed officers an opportunity to display their importance, while the display their importance, while the

who pursues a weak-minded wife, who pursues a weak-minded wife, and leads her into criminal acts, must be punished. This offense has been viewed with too much laxity, and designing men have been allowed to break up family circles, and go free, perhaps to boast over their crimes and conquests. In this connection the next legislature should amend the law so as to allow a married person to be prosecuted for the crime of adultery upon information or complement. plaint of any prosecutor. It is now held that the wife or husband

expect to be humbugged, says the Corvallis Times. The spirits of departed friends would be in poor Corvallis Times. The spirits of departed friends would be in poor business to come back to earth at the behest of a roving mountebank to do jugglery and curious things for a mixed crowd of people. If it were customary for spirits to come back to this world their manifestations would appear on occasions more nearly suited to their sacred character. The fact that the performer must be separated from his audience by a curtain before his spooky visitors will operate, is absolute evidence that the whole thing is a sublines form. to humbugged. If anyone has been victimized by the recent visit of a pair of conjurers of apririts, he should gain wisdom by the experience and stay at home next time.

THE MAKERS OF Dr. Sage's Catarrh Remedy say: "If we can't cure your Catarrh no matter what your case is, we'll pay you \$500 in cash." Now you can see what is said of other remedies, and decide which is most likely to cure you. Costs only 50 cents.

Corttia Dies of Consumption. now held that the wife or husband must make the complaint before the guilty mate can be tried for this offense.

Those who go to see spirits ring bells, untie hard knots, play musical instruments and the like, must can be like, must to be hard was captured in africa.

Geritia Bies of Consumption.

Boston, Oct. 31.—Gumbo, the big gorilla, which for six months has been living in Boaton in a museum, and has been the wonder of thousands, died yesterday of consumption. He had wasted away almost to a skeleton. His symptoms were exactly like these of a human being ill with the same disease. Gumbo was 12 years old, and was captured in africa.

Three of the Trainmen Killed.

New York, Oct. 31. — President Samuel Sloan, of the Delaware, Lacknawanna & Western railroad, said in regard to the wreek at Forester, near Scranton, Pa., that the three killed, mentioned in the Associated Press dispatch, were the engineer and two firemen. His advices were that no passengers were killed.

quickly become glutted from an original over supply, but the world's markets are practically limitless. America should not only feed herself, butshould feed most of Europe as well.

The Portland Telegram editorial writer must be a newcomer in this state. The other day he was going to have the president of the senate governor in case Lord, the wealth and enterprise of Engolator and the three looks and leaves and leaves and leaves in the ficility. The highest figure passing a law that all taxes, state, school, municipal, county and otherwise be paid to one officer. Such a law is already in operation.

It is possible there is too much of the case of electricity and improved methods of enting to the floor, and that the government herds for mann
