Times, Nov. 10. Time advantisers will be charged at the following rates:

A protracted meeting is in progress and the C. P. church, Rev. Jones of law bar on last Saturday afternoon as the square six months.

8 00 Woodburn, officiating.

> Junction City certainly has the tall-est recorder in the state. He stands 6 feet 6 inches in his socks.

A. R. Martin certainly has the ging. Following are the particulars as hampion pumpkin in his show win-related to a West reporter by the mate, champion pumpkin in his show window. It weighs 86 pounds.

Ed Gay, who left a short time ago of the vessel: or Texas, is back in Oregon already. A very short time in that state was all he cared for. He thinks Oregon good enough for him.

M. V. Rees, of Thurston, passed through here Wednesday, from Missouri, where he had been for the past month for the purpose of selling his month for the purpose of selling his Nov. 3, when we tacked and laid off apple crop. While the price is a little off this year, like other things, he cleared just \$1000 on his crop. Good

Commissioners court still in session. for Mr. Rees.

The University football team passed through here Saturday on the local to play the team of the State Agricultural college at Corvailis. The boys were loaded down with yellow ribbon, and chrysanthemums and noise. Each was supplied with a loud sounding horn which was tooted with youthful vigor. Not a streamer floated on the breeze nor a horn tooted on their return. The "farmer" boys defeated them by a score of 16 to 0. The U. O. team cut their wind enroute.

ALL WORK GUARANTEED:

Willamette Street, near Postoffice. Eugene, or office-general has issued offers of reward as follows: One thousand delarge of robbing the mails while being conveyed to a mail car attached to a railway train; \$500 for the conviction of any person in any United States court on the charge of robbing the mails while being conveyed over any post route other than a railway; President.

REWARD OFFERED.—In view of the could only get as far as the main right could only get as far as the ends far as 20 inches thick and the vault excent could not office only in the second of the state of the post charge of attempting to rob the mails being conveyed over any post route; The crew went down to the mouth \$150 for the arrest and conviction of the river Sunday morning and

A Salem young lady was engaged the other day in curling the hair on the back of her neck with a curling iron, just hot enough to do the work and carried a crew of six men. She is satisfactorily but hot enough to scorch anything it came in contact with Weatherber estate, whose interests are Weatherber estate, whose interests are anything it came in contact with, when the iron accidentally slipped out of her hand, and, of course it fell down her back. Whether the brand will be permanent or not the person reporting it is unable to say, but nevertheless, the lady was severely burned. There is one fortunate thing connected with the accident, and CHICAGO, SAN FRANCISCO AND CHICAGO, SAN FRANCISC
