THE SWEET GIRL GRADUATE.

"Standing with reductant feet
Whore the brook and river meet,"
Soon the sweet gir, we shall see
Graduated properly.
Lecked in gown of white and blue,
link or marve or soft eers,
She will real her essay, deep
As a unified doubles keep
She will give advice as sage
As a woman's twice her agic

As a woman's twice her age: She will stan you by the thought, Out of her experience wronger; she will make you think that she Must her mother's mother be! What a lot she thinks she know.

As from point to point she goes.
What a jot we know that she
Doesn't know at all as we
Who have played life's doubtful game.
Still we love her furt the same
"Standing with rejustant feet
Where the brook and river most."

-Will J. Lampton.

OLD HICKORY'S WAYS.

New York's Fashionable Resort For Vota Two Characteristic Stories of Jackson's Blustness When He Was President.

General Armstrong, assistant comissioner of Indian affairs, thinks that Andrew Jackson was one of the greatest men this country ever produced and has a number of stories which were told him by his uncle, who was an intimate friend of Old Hickory. One of them is very characteristic of the man.

Lewis Cass, secretary of war, was over at the White House one day with some important papers for the president to sign, among them being a court mar-

"Cass, what is this?" inquired Jackton as he was about to write his name "It is a court martial," answered

What have I to do with it?" asked It dismisses an officer from the serv-

ice, and the president must sign such or-Jackson toyed with the paper and said musingly: "Dismisses him from

'Drunkenness; getting drunk and falling down on parade or something of that kind," answered the secretary,

Who ordered the court?" asked Jack-"General Scott," answered Cass.

'Who is it?' inquired the president, with more interest. "Impector General Kraun," replied

friend Krann! Cass, just read what that paper says."

The secretary read the usual form of the court martial sentence in such cases. The president then took the paper and wrote across the bottom where he was about to sign his name:

"The within findings are disapprovhis duty and rank." He passed the paper back to Secreta-

ry Class and said, with his usual vehe-

Scott serve your country as well as that man has you can get drunk on duty evry day. A young man from Tennessee, son of

a friend of General Jackson's, came to Washington for a place. He looked about and found what he wanted. It was in the war department and filled by a foreign power at Guiberon bay in by a very efficient Whig, whom Secre-France by Admiral La Motte. tary Cass would not remove. The young man told Jackson the situation, and Cass was sent for.

young man, son of my old friend, says you have got a place in the war department filled by a Whig which you won't

duties of the office were of a peculiar kind, and he could get no one to fill the place if the man now in it should be removed. Jackson flared up.

to tell me you have an office in your department filled by a Whig which can't be filled by a Democrat? Then abolish the office!

The young man got his place. - Washington Post.

ANOTHER DELUGE.

The Boy Believed In God's Promise, but Was a Bit Scared.

the rain as it rained. It seemed to him that he had never seen anything like it; had never in his brief experience no ticed such strong indications of a regular old fashioned flood. Finally he confided his fears to his mother, asking it she didn't think that God was going to drown out the world again.

Here was the golden opportunity for impressing upon the mind of confiding childhood the teachings of the Bible. Sc she said calmly, "Don't you remember, Archibald, that you learned in Sunday school that God promised that he wouldn't drown the world again?" The little fellow watched the increasing rain a moment in silence while he penderes earnestly on the momentous question 'Yes," he said slowly, "yes, I s'pos Pve got to believe what God says, but -but"-and he shut his lips hard-"but this is a devil of a shower."-Stillwater (Minn.)
