Wilkins, of Coburg, met with a serious

One Minute Cough Cure.

RUNAWAY CABOOSE.

Daily Guard, May 8.

John Taylor, one of the oldest cit-izens of Lane county, was found dead train ran away this morning about in bed this merning at the residence of seven or eight o'clock, while the train harles Bales, about eight miles west men were doing some switching at the depot. It was evidently bound for of Junction City, where he was resid-ing. Coroner Harris was notified, and started for the place about 9 o'clock to hold an inquest over the remains. The caboose had been left standing to hold an inquest over the remains. to hold an inquest over the remains. The caboose had been left standing Mr. Taylor was afflicted with Bright's on the main track in front of the disease, and was consequently in 1 oor freight house while the switching was bealth, but nothing serious was feared at present. He was subject to fainting spells, but never suffered from them materially. Last uight on retiring he

appeared as usual, but this morning the occupants of the house found him lying in bed cold in death. The exact force of the collision, it left at a lively rate of speed down the track toward Portland, gathering increased speed as cause of death is not known, but will deubtless be determined at the inquest. Mr. Taylor was 75 years of age, and covered by the train employes it was Mr. Taylor was 75 years of age, and was the owner of a large tract of land where he resided. He was one of the ington street and soon rounded the pioneer residents of the county, hav-ing resided here nearly fifty years. He had no family and always lived a When last seen it disappeared into the had no family and always lived a single lite. He was well known throughout his neighborhood, and was a highly respected and esteemed there a little later by the first section of the disjointed train which went in

pursuit.

A coffin was sent down this morning and the funeral services will be held tomorrow.

## Coroner's Inquest.
