

Eugene City Guard.

SATURDAY, JUNE 22

WEDNESDAY, JUNE 19.

A marriage license was issued this afternoon by County Clerk Jennings to Charles K. Jenness and Harriet R. Eaves.

Williamette street was sprinkled clear through to the depot today. It ought to be continued every day.

Governor W. P. Lord and wife are in the city this afternoon. While in the city they will be the guests of Hon. and Mrs. S. H. Friendly.

Congressman Blinger Hermann was a passenger on this morning's train en route to Brownsville, where he is to speak before the Linn county pioneers.

J. H. Barhart, editor of the McMinnville Reporter, left for the Belknap springs this morning to spend a month. He is suffering severely from rheumatism.

Chas. J. Schnabel, of Portland, assistant U. S. attorney, gave this afternoon a pleasant call on those attending the graduating exercises of the law department.

Among those who arrived on this afternoon's train were: Hon. Geo. H. Williams, Judge R. S. Bean, A. Bush, Miss Sallie Bush, State Treasurer Phil Metcalf, E. P. McCornack and Robt. Clow.

Tuesday's Roseburg Plaindealer: E. P. Thorp, editor of the Echo-Leader, called on the Plaindealer Friday looking rather gippy, but that's nothing. Bachelors often get the gippy. He'll be O. K. soon.

La Grippe is here again with all its old time vigor. One Minute Cough Cure is a reliable remedy. It cures colds, coughs, croup, etc.

Dexter Items.

June 18, 1895.

Rained in the right time and quit in the right time. Fortunately.

Edgar Johnson and wife passed here yesterday on their way up the river. He goes in quest of gold, and we hope he will bring back a bushel of the yellow stuff.

Some hay is being cut this week, and with the present fair weather the hay crop of this section promises to be a good one.

Miss Carrie Hunsaker has returned to this place from Eugene, where she has been attending school for some time.

A band of cattle belonging to Mr. Porter, of Lynn Hollow, passed this place today enroute for Eastern Oregon.

We are glad to announce that the mill has concluded to stay with us. The people would have missed it this fall if it had gone.

Louie Addington has gone across the mountains with Porter's cattle, and Eldon is correspondingly happy. It isn't all ill luck that comes to us here below.

Both Dexter and Trent are running unusually good Sunday schools this summer.

The Trent Lumber Co. have finished sawing their logs and shut down for the summer.

The 4th of July picnic has been definitely decided on, and a program is being prepared which will be published in due season. Young men come and bring your best girls and a little beer, change, too, by the way.

Local Items.

June 19, 1895.

W. H. Murray and John Berg saw in from the hills of Southern Oregon where they have been prospecting several months.

Hay making is commencing this season in our vicinity.

A number of young pumpkins from Pleasant Hill were shown here Saturday evening.

Miss Laura Brewster's returned school Friday. Miss Brewster is a most excellent teacher.

Mr. Raper of Spencer Falls will give an entertainment in Gordon Friday night. A small admission fee will be charged.

Mrs. W. D. Keeney has removed with her household goods to her father, E. F. Williams, of Trent.

There is talk of a big sluice in this vicinity to take place July 4th.

The Porter Bros started across the mountains this morning with 237 head of cattle, over the military route.

J. D. Boitt and O. F. Callison started for Silver Lake last Monday to work through hay harvest.

W. H. Baughman and wife and Mrs. M. A. Parks and P. J. Baughman started to Crescent Lake last Monday, for the benefit of P. J.'s health.

I. N. Mulvey and family expect to start to the state meeting at Tanager the last of the week.

The grain aphid has made its appearance in good shape on the wheat fields now. Most all fall wheat in this section has them in. They were noticed here last year about the 15th of June, and on the 20th they were thick.

We are sorry to record the announcement of our fourth of July picnic, but it was ordered last Monday at a call meeting. For the reason that Dexter, a few miles east of us had begun preparations for a genuine celebration on the 4th, two days before we did. We were not logically informed of this fact until after our meeting had been called; thus through due respect for our sister neighborhood we give way to them. We understand that they expect to have a tip to celebration and we would advise all that contemplated attending the P. Hill Picnic to just drive on to Dexter; you will not regret it. Dexter has always been friends to us in every way, and for us to place a picnic on top of theirs would not do. Dexter will no doubt thank us for this move. We will be with you and claim a treat.

Grand Celebration.

Smithfield will celebrate. An interesting program is being prepared and an enjoyable time is anticipated. Everybody is respectfully invited to be present at Smithfield on said day and help us celebrate our national birthday. The following is a general outline of the program:

BEFORE DINNER.

The pupils of the Smithfield and neighboring schools will meet at the Smithfield school house at 9:30 o'clock where they will form in procession and march direct to the picnic grounds, where the program will begin at 10 o'clock sharp. Music by Fern Ridge String Band, also vocal music by Fern Ridge choir. Invocation. Reading of declaration of independence by Mr. Elmer Jourdan. Music, instrumental and vocal. Orations to be delivered by Revs. Housh and Wallace of Junction City.

AFTER DINNER.

Literary program by the Smithfield and neighboring schools will begin at 2 o'clock, after which there will be a baby show, a prize to be given to the prettiest baby 2 years old or under. There will be two sack races, first by boys under 12 years of age, second by boys over 12 years and men, prizes to be given to the winners. Foot race by boys under 18 years winner to receive a prize. A base ball match will be played between men over 30 years of age and school girls, the winners of the game will receive a prize. Plug ugles.

By Order of Committee.

Doctor A. R. Fish, of Gravois Mills, Mo., a practicing physician of many years experience, writes: De Witt's Witch Hazel Salve has no equal for indolent sores, scalds and burns. It stops pain instantly, heals a burn quickly and leaves no scar.

CRESWELL CASUALTIES.

Jack Rabbits are Becoming Prolifical - Other Items.

June 20, '95.

S. S. Morse attended the exercises at the University of Oregon yesterday.

Mrs. Melton requests us to publish the fact that the Demorest medal contest, which was set for next week, has been indefinitely postponed.

At the Camas Swale school house on June 27th there will be some interesting graduating exercises, a flag raising and a program of recitations, etc., by the school and a regular school picnic. Miss Euella Brewster is teacher.

Mrs. Chas. Hamilton, of Silver Lake, is visiting her mother, Mrs. Wooten, of Cloverdale. Mrs. Hamilton was on the Christmas hall at the time of the terrible fire last Christmas and lost her little boy. Her little babe shows the marks of the fire, and she only laid aside her crutches just before starting for the valley.

A few years ago jack rabbits were entirely unknown in this valley, but now they are cutting down beans by the acre in this vicinity. T. O. Martin has killed two and thinks there are a dozen of them working on his field of beans. Orchardists will soon have something besides bugs to fight and the farmers will soon have to build snug picket fences, or raise no corn or beans.

Rev. E. Gittins is to deliver the oration on the 4th of July at Blue Mountain school house. We wouldn't be surprised if a mob of Creswell people would go there to celebrate.

REGULAR.

A Most Magnificent Heart-loom (Health. No man in this or any other country is so healthy as the man who has a good heart. Per contra, a hereditary tendency to disease, often proves a fatal legacy, since the most trifling causes may fertilize the latent germ of ill health and render the fruitage deadly. An inherent transmitted weakness of the physical constitution is most effectively opposed and counteracted by Hostetter's Stomach Bitters than by any other safeguard. Digestion and assimilation promoted, the biliary secretion, action of the kidneys and bowels insured, are no many guarantees of permanent health, and these are the consequences, among others of the importance, of a resort to the Bitters. This medicine also prevents and remedies malarious complaints, nervousness, chronic indigestion, rheumatism and neuralgia, such ailments as loss of appetite and sleep, too, should not be disregarded. The Bitters will restore both without fail.
