without payment of further dues. LAST EVENING'S EXERCISES.

A well filled house greeted Hou-George H Williams last evening at his address before the university. The exercises opened with a highly pleasing chorus of eighteen voices un der the leadership of L G Adair, with orchestral accompaniment.

Dr. I D Driver offered prayer. Next was a duo for two planes by Misses Friendly and Miller. President Chapman in a few well hosen words introduced Hon Geo H. Williams, the speaker of the evening. The subject of his discourse was "Rem-

iniscences of the Supreme Court." It was an article prepared by him some time past, and read before the law department, and read last evening by special request.

During his term of office as atto-

able for me to attend to business that the supreme court, and was evidently day. Remembering that I had some a close of serveer of their customs and of Chamberlain's Pain Balm in my peculiarities. He dwelt minutely on peculiarities. He dweit minutely on the characters of the various judges on the afflicted parts thoroughly with it, the supreme bench for a number of cording to direction , and within an years. He related many amusing anecdotes of the various judges with The supreme court consists of nine members, a chief justice and eight associ ate judges. The chief receives \$10,5.0 per year, and his associates receive \$10,000 each per year. The sittings of the court are from noon until 4 p. m. crime, ascribed of each day.

The discourse, though of an unusual

This is the principal day commencement week, being the finishing touch to the education of the students of this university. There were flowers in profusion today, each graduate having many friends who observed this custom of showing appreciation. At 10:15 a. m. the class, numbering eleven, marched up the hall and took seats on the platform. The exercises opened with a chorus

—one of the sweetest pelces given dur-ing the week—by the U of O Glee Rev M C Wire offered a fervent prayer, followed by a pleasing piano duett, "Puritani," executed by Misses

Hovey and Simpson. Bresident Chapman in his introduc-tory remarks, spoke of the progress of the university and its present stand-of excellent taste in selection and ability of excution. ing. The attendance during the past year in the literary department has year in the literary department over been an increase of 66 per cent over been an increase of 66 per cent over took.
