this harbor, the talk of such men enlargement on her face thought by is accompanied by Miss Blanch Craig. Earl Wilson left this morning for Mr Z Kintzly is building a new

San Francisco, going by the Yaquina route. He expects to go from there to Woodland, Yolo county where he will remain.

J W Henderson expects to leave to morrow morning for Lake county, where he will spend the summer and Mrs Emma Long of Cottage Grove made a visit to friends in Springfield last week. She reports lively times in fall months, returning to Eugene late this fall.

H D Smith, of Monticello, Iowa, and his daughter, Mrs of Seward, Olympia, Washingt a, are visiting Eugene friends a few days, and leave to-night for California.

David Collier, who has been visiting his parents in this city some weeks, leaves tonight for Massachusetts, where he has a position as second master mechanic in a large chair factory. John Barger, Frank Hanson, O M Sawyer and C R Johnson left for the mountains Sunday, and will spend everal weeks rusticating at Foley and Belknap springs and other points of interest.

Statesman: Professor and Mrs. Thomas Condon of Eugene, arrived last evening from Gladstone park, where they have attended the Chautauqua assembly. They will visit over Sunday with their daughter, Mrs. Judge Bean.

will pipe the water down to his house. It will have good force and will make and excellent system for irrigating on A private letter received here last A private letter received here last Saturday evening states that the Humphrey party, Geo Hall and daughter, Miss Carrie, and Miss Con-verse, of Portland, made the trip to Horsepasture last week. Everything is lovely there now. Miss Hall caught a monitor trutt a few days since TIE WORKS MOVED,-The S P tie works train passed through Eugene this forenoon euroute from Cornelius to Dunsmutr, California, where it will be stationed for a while. It will be brought back to Latham, where it for-merly was, in a few months. a monster trout a few days since.

A visit to the Ebbert warehouse where Humphrey & Segar are packing peach plums will convince anyone that one acre of fruit is worth twenty acres of grain.

The dog catcher commenced work today. License has been paid on less than fifty dogs, and though there is a number to catch, but two or three have been caught today.

Arthur, is the clerk on the government works at Newport.

Editor Amis returned home this aftermoon from Newport, where he has been attending the Press Association. Ero Amis looks sick and says he doesn't frel well. He says he took a trip out over the bar and it made him scasick. He coesn't say anything about the clam bake or the "bi-valves" got outside of.

When at Oregon City last week Prof Thos Condon met a lady from Port-land who told him of having been with the party who ascended Mt Adams, and while there they found a box containing the names of Prof Condon and several other, dated August 1864. The box and his contents had withstood the storms of over thirty years.

SUGGESTIVE .- Jacksonville Times: The members of the Oregon Press As-sociation took their annual bath at Yaquina yesterday. Late advices report that the bay is rapidly shealing and the government will be called on to dredge out the channel.
