TRIED TO ESCAPE.

Sheriff Cathcart's Prisoner Jumps From a Car Window Near Irving. Daily Guard, September 18. Sheriff Cathcart of Douglas county passed through on the Roseburg local this afternoon with Frank H. Skinner, whom he had arrested up near Walla Walla in Washington.

Skinner was employed as agent by the Washington National Building Loan & Investment Association, and talked a number of residents of Douglas county by selling them shares in the association and guaranteeing them loans. He represented to his victims that the loans had been made, when in reality the company knew nothing about his transactions.

Skinner realized the seriousness of the charge against him, and it seems he had made a desperate resolve to escape from Sheriff Cathcart if possible before the iron doors of Douglas prison should close behind him. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this inflammation can be taken out and this tube restored to its normal condition, hearing will be restored, even if the deafness has existed for years. Cases of deafness are cured by the use of Deafness Remedy (patented) which cannot be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Mrs E.E. Davis, of San Miguel, Cal., says: "I am trying in a measure to repay the manufacturers of Chamberlain's Cough Remedy for the great good their remedy has done me. For years I was a constant sufferer from weak lungs and bronchial asthma. My rest at night was disturbed by a hacking cough, so that I felt miserable and the greater part of the day I was confined to bed. My friends recommended several remedies, but none proved suitable to my case. I did not experience any beneficial results until I began taking Chamberlain's Cough Remedy. After two bottles of the large size have been used I am pleased to state my health is better than it has been in years. The remedy has left my lungs and chest and I can breathe easily. It has done me so much good that I want all who are suffering from lung troubles, as I was, to give it a trial." For sale by Osburn & DeLano.
