the preliminary hearing came up to-day before Justice Hamlin. Fred Page-Tustin on behalf of the State and stating the actual price being paid. Below are the figures, which will be read with great interest by every read-er of the Democrat: Page-Tustin on behalf of the State and W W Cardwell for defendant. Testi-mony argued and submitted. The appear that a much better price was Males under 2 Males under 2 court bound the defendant to appear at the next term of court, with bonds thus deceiving producers into the idea at the next term of court, with bonds fixed at \$1000. The complaint of CJ Anderson for a like offense pending, the defendant waived examination up-on consent on the part of the state to ix his bonds at \$500. This condition was agreed and the court so ordered. Skinner goes to jail until the required bonds are given. The testimony in this case showed that Skinner had the authority of the Washington Building & Loan and Investment Association of Seattle, Wash, to sell stock of the as-sociation and to take applications for Seattle, Wash, to self stock of the as-sociation and to take applications for loans on village and city property, but mot on farm lands. It appeared that Skinner had represented to Peters that he would make a loan upon his fruit farm, but as a condition of securing that loan he must put up \$60, the amount necessary to secure a \$6000 that loan he must put up \$60, the is 5 to 6 cents, but still there are dealers amount necessary to secure a \$6000 who claim the price will go up between loan, which money must accompany the application. It appears the money was paid by Peters to secure a loan and not for stock in the association as claimed. Peters paid the money to be how must the note or here will be better to bold his loops for a higher price or let
