The court room is crowded and Hon Glen O Holman, of

Portland, is appearing for his son, the defendant." Wednesday's Astoria News: "The Wednesday's Astoria News: "The case of the notorious Mrs Jensen against Harry Holman, bookkeeper at the waterworks, for assault, resulted just as the News predicted—in the acquittal of the defendent. The testimony throughout showed that Mrs Jensen was the aggressor, and that young Holman simply acted on the defensive as any one would have a right to do. to do.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased pertion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tabe gets indamed you have a numbing sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal cound! ion, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (cansed by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

FOSTER'S FORECASTS.

Weather Predictions for the Next Ten Days.

Prof Foster's last bulletin gave foreeasts of the storm wave to cross the

continent from 1st to 5th and 7th to 11th.
The next disturbance will reach the Pacific coast about the 12th, cross the west of Rockies country by close of

3th, great central valleys 14th to 16th, Eastern states 17th.

The warm wave will cross the west of Rockies about 12th, great central valleys 14th, Eastern states 16th.

This disturbance will be the most severe of the month, will be very extensive and in many places destructive local storms will occur while it is pass-The September 16th to 22d storm force centered in the transcontinental storm and it is not probable that the great storm of October will spend its

force in the same locality.

The cool wave noted above will become a severe cold wave in the Miss-ouri valley about the 17th. Its further movements will depend largely on the location and movements of the trop-

ical hurricane at that time.

The great disturbance of September expended most of its energies in mak-

But the principal precipitation will come later in snows and rains of marked characteristics, forecasts of which will be given in succeeding bulletins.

Weary and Worn.

When the tired factory operative, the weary out-door laborer, the overtasked book-keeper or clerk seeks a medical recompense for ex-penditure of bodily force, where shall be find it? Could the recorded experience of thousands of workers be voiced, the verdiet would ands of workers be voiced, the veriliet would be that Heatstter's Stomach Bitters renews failing strength, stimulates the jaded mental powers to fresh activity, and relaxes undus nervous tension as nothing else does. Digestion, a regular habit of the body, appetite and sleep are promoted by it, and it is an admirable auxiliary in the recovery of health by convalescents. A fastidious stomach is not offended by it, and to persons of both sexes in delicate health who occasionally feel the need of an efficient tonic, the whole range of the pharmacopolia and the catalogue of proprietary medicines does not present a more useful, safer or more decisive one. It is also incomparable for fever and ague, rheumatism and kidney troubles.

Zumwalt called at Alexander Seavey's residence, at Seavey's ferry on business, but found no one at home. He noticed a large volume of smoke issuing from the chimney. Forcing his way through the door, he entered the house and found the interior on fire. He soon put it out. A large square of the carpet and floor was burned, and had it not been for Mr Zumwalt's timely interference the entire house would have been destroyed.
