Special to the GUAED. SAN FRANCISCO, Nov. 8.-The sentence of Durrant was postponed today until Friday, Nov. 22d.

COLONEL RALEY'S ROMANCING, Such is Judge Bean's Interpretation of the Mention of His Name

for Congress. Today's Salem Statesman: Meeting Chief Justice Bean of the supreme 11,415 court last evening, a Statesman re-

porter accosted him with:

"Well, Judge, I see you have been
mentioned as a congressional candi-

"Yes," said the judge, with a quiet smile, "I see my democratic friend, Col. Raley, has been romancing a lit-tle in that line."

"What actual ground is there for the

suggestion, Judge?"
"None whatever. I have not thought of such an ambition and I don't think any of my political or personal friends or neighbors have thought of me in that connection. I would not desire to go to congress, the bent of my mind not being in that direction. It is distasteful to me and 28,610 direction. It is distasteful to me and 15,390 I am not in the race for the position 14,365 even by implication. Raley, looking 12,800 from the plains of Umatilla county 30,000 over the tops of the Cascades in imag. 10,365 inary survey of Western Oregon, 10,310 simply wanted to indulge in a little 11,005 fenciful speculation, and I happened to 17,400 bob into his mind at that particular moment." moment."

Fairmount Notes.

Everybody busy. The new church is being painted. All habitable dwellings are now oc-

cupied. The stone quarry gives steady employment to several hands.

Miss Ruth Eaves has returned from Idaho and thinks Oregon is far ahead 12,475 of that country for human habitation. Mr and Mrs Jacob Phineger have moved to Eugene. While here they made many warm friends who regret

their departure. Barr Brothers kuife factory is busy place now. They have received orders for two thousand spring sack needles and numerous orders for cutlery A new steam hammer has been added to the muchinery and also appliances for silver, nickel and gold

plating. Mr Wheeler, owner of the Springfield saw mill, and family have moved into the dwelling formerly owned by Mr Hunter. He has given the house a complete refinishing inside and is putting up an extensive addition.

Impeachment Proceedings. TACOMA, Nov. 8. — Impeachment proceedings against M M Taylor, president of the board of public works, have been decided upon by the mayor and city attorney. Taylor is said to and city attorney. Taylor is said to have been implicated in the scandal connected with the failure of the Co-lumbia National bank.

A RICH CAMP .- A correspondent writing from the Blue River mines to 17,375 the Brownsville Times says: all accounts, the prospects for a good camp are much better here than ever before and this fine weather the miners have been very busy, and upon Treasure hill Pete Keniston of Halsey has lately struck a new ledge that carries gold. Clay Martin has a very promising claim and some others near itm also have a good showing for gold. Frank Mango has just made a clean up from his claim called the Veteran where he has been running an arastra where he has been running an krastra of one mule rower and got \$150 worth of gold. Who says Blue River mines are no good? Show me the man. Work will being in the Lucky Boy tunnel tomorrow morning. The boys lease from serving out the costs, on the ground that the court could not sentence a man for costs under the old law, under which Babb had been tried.
