THE BOSSI REARD FROM.

PALM BEACH, Fla., Jan. 28, 1896. DRAM GUARD!-Armed with a pock et full of passes, etc. your correspond-ent left Portland, in company with the genial Clus Nickell, the capitalistic editor of the Jacksonville Times on January 12th for Florida to attend the eleventh session of the N E A. The trip to St Louis, Mo, was made without any particular incident outside of the usual. Of course everyone is aware that Uncle George Pullman, the pulled to course for the usual of the course of the usual of the course of the usual of the course of the the philanthropist, furnishes his sleeping cars at the rate of \$4 per day, While he taxes \$1 for meas. does not matter to a ma aber of the pintocratic press, and rest her we me will state that we actuall find pinto-pratte with a big P, as Bro Amis LF

The report of the retiring officers showed a shortage of \$75 on the past tor's enlary and \$50 on the incidental find, a total of \$125, which was raised at the meeting by subscription. The report of the pastor showed 28 new members received into the church during the past year and 20 dismissed, leaving the past year and 20 dismissed, leaving the past of the pastor the past year was 1920, but on his own resonvention on the past year and for the ensuing year. This was a voluntary reduction on the past of the pastor, owhite to the past of the pastor, owhite to the past of the pas we had ever seen. From this place we skipped to Thomasville, Ga., where we did not a massive hotel at the small cost of \$1.25. At this place Nickell met on the street a most charming octoroon and casually re-amiked he would like to have her accompany the party in its wanderings. She said she would go home and pro-She sald she would go home and procure her wardrobe and make the trip.

The incident had been forgotten until the black damsel arrived at the train with her belongings tied up in a bandana handkerchief, and insisted that Nickell carry out his contract. He was greatly agitated as the party was yelling their lungs out at his expense, when he compromized the instead of the party was yelling their lungs out at his expense, when he compromized the instead of the party was yelling their lungs out at his expense, when he compromized the instead of the party was yelling their lungs out at his expense, when he compromized the instead of the party was yelling their lungs out at his expense, when he compromized the instead of the party was yelling their lungs out at his expense, when he compromized the instance of the party was yelling their lungs out at his expense of the party was yelling their lungs out at his expense of the party was yelling their lungs out at his expense of the party was yelling their lungs out at his expense of the party was yelling their lungs out at his expense of the party was yelling their lungs out at his expense of the party was yelling their lungs out at his expense of the party was yelling their lungs out at his expense of the party was yelling their lungs out at his expense of the party was yelling the party of the

Dully Goard, February & A GOOD LOAD.-The Gypsy took of the very finest quality and are be. A Good Load.—The Gypsy took in gracked in two sizes of boxes; condown 60 tons of freight from this peint taining 25 and 50 pounds each. The this morning The boat carried more boxes have attractive labels on one freight both incoming and outgoing this trip than on any previous one. The current packed by Geo T Hall & Son, the snags and drift wood left in the river by the recent high waters. This is an attractive way of preparing river by the recent high waters, the primes for shipment and ought to However, the boat will continue to come to our city just as long as it is possible for her to do so. The river needs to be cleaned of the snags and he being made to raise among our busi-ness men a sum of money sufficient to and, since the government ang puller has gone out of service, it will bly be necessary for the citizens of Eugene to perform the work. An effort is being made to have a force of men go down the river and complete the work commenced by the force that went down Sunday. The matter will of the be definitely settled in a day or two.

WLL LEAVE .- Mr F W Parker, who has been conducting a store on Ninth street the past two years, is boxing
