#### Populist State Convention.

A fair representation of the populist state central committee met at Salem Tuesday at 10 a m to consider the time of holding the state convention. It will be remembered that Spaugh

got excited over a prospect of fusion and without authority called the state convention for February 22, giving but little over a mouth's time for primaries, county and state conventions. The majority of the executive com-mittee did not relish the hasty work of dictator Spaugh and called the meeting which took place yesterday. Of course they sat down hard on the Lane county man. It was voted that the state conven-

tion be held at Salem Thursday March 26th at 1 o'clock p m. The basis of representation was fixed at one delegate at large for each county and one delegate for each 100 votes or major fraction thereof cast in June, 1894, for the people's party candidate for gov-

It was recommended that in all counties where county conventions have not been called, that county conventions be called for the purpose of electing delegates to said state convention at such time and place as may be designated by the county central com-mittees of such counties. Proxies to the state convention will not be allowed unless the bearer thereof is a citizen of the coun y he assumes to represent.
