Deadmond's camp is located on the south side of the McKenzie river, about 14 miles east of this city.

The cases came up so late that there was not time to try them at the last

over urtil this term. At this term of court the cases were dismissed and re-submitted to the grand jury, the names of S Sweet and Wm Brynce being added to the list. The grand jury, after examining a large number of witnesses, dismissed the case and the rioters and witnesses will leave for their homes tomorrow

RESULT OF THE ELECTION. Mr Frank Receives a Majority of 130 Votes for Director.

Dally Guard, March 10. The voting continued lively last evening until 6 o'clock, and by that time 876 ballo's had been east, 284 more than were polled at the school

election one year ago. The work of counting the ballots was commenced about 7 o'clock and on after the result was known. and will relieve the telegreph operator Frank, for director, was declared at that place tonight. Ed Hanson moved his stock of goods into the old Bettman store building, elerk, received all but 22 of the 876 votes cast in the election.

The result is as follows: FOR DIRECTOR. Geo B Dorris. Frank's majority FOR CLERK.

Total vote cast. polls all afternoon.

FIGHTING THE U. of O.—We take and was married, and leaves a and three small children. He "While it is true that the people of Lane county receive more direct bene-51 from the state university than any other county, yet not one farmer or taxpayer out of fifty can send his to the university to be educated. While all can get the benefit of our public schools, and all children between the age of eight and fifteen years should be compelled to attend ers will all become bankrupt," Spaugh does not seem to be near the approach

Daily Guard, March 10. WILL BE ASSESSED. - The list of accommodate the genial assessor with a list of the same. It looks as if the taxable property of the district will be increased considerably, on account of the hot fight. Since writing the above we learn that the oath was admin-istered to between 200 and 250 persons

whose names were not on the tax roll. Daily Guard, March 10. MUSIC IN THE AIR .- There was music in the air for awhile this afternoon. For awhile no one knew where it was coming from but it was finally ocated on the summit of Skinner's butte and was being made by members of the Eugene Cornet Band, who, attracted by the pleasant afternoon, had taken upon themselves to ascend the butte with their instruments and serenaded the town from its elevation. The music could be plainly heard and sounded very beautiful.

Dally Guard, March 10. DISMISSED. — Deputy Prosecuting Attorney Williams returned from Junction this afternoon, having dis missed the justice's case at that place. It seems that D S Gore got drunk last night and assaulted his nephew, a young man by the name of Cummins, threatening to kill him with an ax. The evidence, however, was not strong enough to warrant a trial.

Daily Guard, March 11.

Election of Officers.—Oregon Hose Company No 1 last night elected officers for the ensuing year as follows: President, H T Condon; v ee president, John Barger; secretary, D E Y was: assistant secretary, G W Griffin; treasurer, L B Johnson; ser-Hermann. There will be agony in the camp of the Statesman, Oregonian, Oregoni Griffin; 2nd assistant, Wiley Ham.

VOTED HER RECEIPT.-One lady voted a receipt from the Woodmen Circle at the school election yesterday, instead of a ticket for director and clerk. She doubtless got ticket and receipt mixed and made the grevious mistake of putting the wrong

4th and Lawrence streets.

FATALITY AT HENDRICKS' FERRY

The Grand Jury Fails to Find a A Logger Killed by a Rolling Log, True Bill. Which Passes Over His Body— His Neck Broken Twice.

thaily tiourd, March 10

George Saunders, Ira Allen, Chas Hartley, Truman Barber, John I Butterfield, Geo Bradley, Richard Ree Jim Crow and John Doe, charged with the crime of riot, was this morning dismissed by the grand jury, as will be seen in the report of the circuit court

Accounts of the riots, which occurred number of men with teams are now on the Siuslaw river and the time of the strike during the salmon fishing season last fall, were published in the GUARD at the time. The rioters were arraigned before the grand jury at the last November term of court and two indictments found against them by that holy sawed into lumber, skidways are built from various parts of the forest to the banking ground. These skidways are constructed by chopping a roadway through the underbrush and placing term of court and they were continued ties of about four feet in length cross-wise, at intervals of four or five feet, in the roadway, resembling very much a railroad track without the rails and without an established grade. The logs are dragged over these skidways by means of horses, mules or oxen to the banking ground. In order to Thus is ended the Siuslaw riot case which will probably foot up to an expense bill of \$1000 for Lane county.

RESULT OF THE STATE OF TH hollow track is generally formed in the middle of the skidway over the half buried ties, which the logs follow without much trouble when being

drugged. These skidways often extend down steep inclines, and it was while drag-ging a large log over a place of this kind at 3 o'clock yesterday afternoon that the accident happened which cost Eggert B Putman his life. It seems that he was on the lower side of the incline when the log commenced to roll and, before he could get out of the way of its course, it caught him, crushed him to the earth by its great weight and passed over his body, probably killing him instantly, as his prock was troken twice and a number. neck was broken twice and a number June next and to transact any other of other bones of his body were also broken. A brother of the unfortunate man,

who was employed near at hand, heard his cries, uttered doubtlessly as he saw the impending danger coming upon him, and hurried to the scene of the disaster, but could not remove the854 massive log from his brother's body until he had summoned assistance The election passed off quietly and with but little trouble, considering the extreme interest that had been previously manifested and the large crowds which thronged about the cause of his death was plainly apparatused. ent.
