EVENTS OF THE DAY

EPITOME OF THE TELEGRAPHIC NEWS OF THE WORLD.

An Interesting Collection of Items From the Two Hemispheres Presented in a Condensed Form-A Large Amount of Information in a Small Space.

The state of Ohio, on and after July 1, will inflict capital punishment by electricity, the bill having passed both houses

Gustav Koerner, ex-lientenant-governor of Illinois, and ex-minister to Spain, died in St. Louis aged 87. He had a good war record.

The house committee on territories has voted to report the New Mexico statehood bill to the house, and also decided to defer action on the Airzona bill.

The Rome correspondent of the London Chronicle says the pope sanctioned the publication of the appeal for arbitration by Cardinals Vaughan, Logue and Gibbons.

Senator Gallinger has introduced in the senate a bill for the creation of a United States commission to treat with commissioners from other Christian nations for the correction of intolerable evils in the Ottoman empire.

Baron von Schrader, master of cerefrom injuries inflicted by Count von Kotz, formerly one of the court chamberlains in a duel fought in the vicinity of the Neus Palais, at Potsdam, Prussia.

Deputy Game Warden Brewster, of Grand Rapids, Mich., begun wholesale arrest of fishermen and seizure of their nets upon the charge that the meshes are smaller than the lawful size. Nearly every fishing firm in they are moving in great force north-Grand Haven is complained against.

Americans intending to travel in Germany and Russia this summer are advised to obtain passports at Washington, as the new rules make identication indispensable before the passr rts are issued from the American embassies in Europe.

News from Seoul says that the Corcans are determined to exterminate the Japanese, holding them responsible for the murder of the queen. Bands of men have been organize to threaten the Japanese factories. Japan has sent warships to Fusan, and other points on the coast.

The first bicycle militia company in the Northwest has been organized in Tacoma by twenty-five members of Company C, under command of Captain Howell. The members are practicing the cycling movements adopted by the United States army.

By the explosion of 200 pounds of powder in a magazine on the 1,100-foot level of the St. Lawrence mine in Butte, Mont., six men lost their lives. Their names are Con G. Lowney, John Quinlan, Ed Shields, James Dwyer, John McVeigh and Patrick O'Rourke.

The Taylor brothers, the condemned murderers of the Meeks family, broke

young physician, Erichs Langhels, at the international physicians' congress, that he had discovered a new remedy for tuberculosis, named anti-microbia. Its principal ingredients, it appears, are ozone and codliver oil, applied by subcutaneous injection. Of the ninety cases of tuberculosis he treated in the

Moabite hospital during the past year, all have been cured. The stone of the Oregon Pioneer quarry, on Yaquina bay, has been se-

lected to be used in the construction of the San Francisco Call building. There has been some effort in California to create a prejudice against Oregon building stone in favor of the California porduct, but Oregon continues to get some very desirable contracts. Besides the Call building,

Oregon has furnished the stone for the ferry depot and the handsome Parrott building, in San Francisco.

The president has nominated Leo Bergholz, of New York, as consul at Erzeroum, Armenia. Rich placer grounds have been found

in Washoe valley, near Carson, Nev., and there is considerable excitement in consequence.

Charles Voorhees, formerly a lay judge of Bergen county, N. J., and an ex-member of congress, committed suicide in New York.

Five men were fatally injured by an explosion of fire damp during a fire in the Red Ash vein of the Woodward mine in Wilkesbarre, Pa.

John Jones, colored, aged 19, who committed an assault upon a 12-yearold white girl near Mormon Springs, Miss., was hanged by a mob. Jones confessed his crime.

A cable message from Cape Town, South Africa, reports the killing of monies at the Prussian court, is dead three engineers near Buluwayo. The names of two of the victims are given as Hammond and Palmer.

> An explosion occurred in the colliery at Wellington, S. C. Eight miners are known to have been killed, and it

is believed eighteen persons will lose their lives through the disaster. A dispatch from Buluwayo, South Africa, says: The whole country is in the hands of rebellious natives, and ward. It will require a large force of troops to dislodge them.

On April 8 another powder explosion occurred at Juneau, Alaska, this time in the new tunnel of the Treadwell Company, between the Treadwell and Mexican mines. Some of the men injured are expected to die.

Joseph Selamel was put to death in the state prison at Clinton, N. Y., by electricity. He murdered his sweetheart, Theresa Kammora, by cutting her throat with a razor, August 30. 1895. The cause was jealousy.

The Madrid correspondent of the London Standard says: The new chamber just elected will certainly support the government in resisting American interference in Cuba, and it will also be a very protectionist body. The Paris correspondent of the Lon-

don Times says he learns that at France's invitation, Russia now directs the negotiations with England on the subject of the Nile expedition, growing out of the objections of Russia and France.

A broken rail on the New York, Pennsylvania & Ohio road wrecked the third section of freight train No. 82, near Meadville, Pa. Two men were

PROGRESS AND DOINGS OF THE PACIFIC' NORTHWEST.

Budget of Interesting and Spicy News From All the Cities and Towns on the Coast-Thrift and Industry in Every Quarter-Oregon.

Elgin has shipped 85,000 railroad ties this spring.

The state selected 200 acres of school land at The Dalles land office last week

A number of young lambs were killed in Grass valley by the recent cold weather.

Wasco county's roadgrader has be gun work for the season, starting in on Tygh ridge.

The Homer took a cargo of wood for a San Francisco market factory on its judgment is for \$5,903.87, and was hold out, but the danger has been that last trip from Coos bay.

An Oakland firm shipped 1,500 pounds of chickens and dressed turkeys Stimson. to San Francisco last week and 650

dozen eggs to Portland. A. J. Davis, the Montana millionaire, whose estate is involved in litigation, an alleged wife having appear-

ed unexpectedly on the scene, used to live in Coos county, where, as elsewhere, he passed for an old bachelor. The Clatskanie council has bought

every point in the orchard, present a the water system owned by Mrs. Amanda Merrill, with a sufficient plat very pleasing effect. of ground to insure permanent possession of the spring that supplies the water and enough ground on which to

erect tanks or fencing for protection. The lumber manufacturing industry in the Blue mountains is rapidly reviving. The Grand Ronde Lumber Company's mill at Perry was started ing the box the boy and his companup Saturday, and the big mill of the Hilgard Lumbering Company at Five were horrified to see the tiny form of a Points began outting for the season's babe, entirely nude,
