Spring Medicine

Spring is almost certain to be full of impurities-the accumulation of the winter months. Bad ventilation of sleeping rooms, impure air in dwellings, factories and shops, overeating, heavy, improper foods, failure of the kidneys and liver properly to do extra work thus thrust upon them, are the prime causes of this condition. It is of the utmost importance that you

portion to the small end. Then he Purify carefully balances it, and the egg

, as when warmer weather comes and the tonic effect of cold bracing air is gone, your weak, thin, impure blood will not furnish necessary strength. That tired feeling, loss of appetile, will open the way for serious disease, ruined health, or breaking out of humors and imputities. To make pure, rich, red blood Hood's Sarsaparilla stands unequalled. Thousands testify to its the other way it would have been merits. Millions take it as their smashed with the least pressure.
