\$605,000,000. Dingley, the leader d the majority on the floor, defended in appropriations, calling attention to be fact that the house had passed a bill a increase the revenues. Peaceful Settlement. London, April 29.-First Lord of the Treasury A. J. Balfour, replying B Sir William Vernon Harcourt, the h eral leader, said in the house of cor mons today that the arrangements is consideration of the arbitration respecting Venezuela and other questions at the matters that Great Britain and the United States had in view during by recent negotiations. Balfour added that the last communication from the United States arrived on Friday and was now under consideration. Ballor

said the government would deal with both the general question of arbitration and also with a special question of neeted with Venezuela, and it was or fidently hoped that by patience and ust on both sides a peaceful solution of the

matter will be attained.
