## A PRACTICAL TEST.

"For my part," Maimle Whitmore re-marked, drawing her little woolen wrep somewhat closer round her ears—they were on board an ocean liner nearing the "banks"-"I say a woman's first duty is to her husband."

"And for my part," Arthur answered, leaning across toward his wife, "I say a woman's first duty is to her children." "How do you make that out, Whitmore?" the major inquired lazily. The major had a protty knack of his own in

J & Shumate, the Walterville Nasby and merchant; was doing business in Eagene today.

"Why, it runs through all nature," Arthur Whitmore replied. "It belongs to the very essence of the feelings engendered in us by natural selection. The male fights always for the female and the young; the female fights for the young

only or turns tall to protect them, leaving the male to defend himself." "I remember," the major mused, "I was out tiger hunting once in a nullah in Mrs O J Foss, of Siuslaw, who has India, and I came across a tiger, with the tigress and cubs lying hid in the jungle. I fired at the brute, and he leaped straight Miss Orphanta Lee, who has been up at me, but the tigress and the cubs caying with her sister, Mrs M L Rose, sent to Newport today. slunk away through the long, tall reeds of Mrs J B White, of Portland, who has been visiting at Elmira for a short ime, has returned home.

The Children's day exercissist the Baptist church Sunday was attended. your case, Whitmore.

"Yes. It must always be so," Arthur Whitmore continued. "The male, as the more active and stronger of the two, must fight for the female and the young togeth-er; the female, as the weaker, yet the protector of the young, must leave the male to look after himself, and at all risks to him must take care of the little ones. They are the hope of the race, the future of the species. The sire has had his day. If he sacrifices his life for his young, no great harm can come of it. But the little ones have all the world before them. For their sake the mother must run no needless risk. Her first duty is to them. She has borne them and suckled them. To sacristate scuator-elect from Lane county, borne them and suckled them. To sacriis in the city visiting at the home of fice them to the father would be unnatural and harmful and in the widest sense

"That's all very well for the beasts," Malmie answered petulantly, "but we are not beasts, and I say, with us a woman's first duty is always to her husband. Fold up my chair before you come below, Ar-thur. I'll run down and see how Charlie and the baby are getting on in the state-

"It opens up an interesting moral ques Arthur Comegys left for Portland on tion," said the chaplain as Maimie disap-"Well, no," Arthur answered. "I look

at it like this: Parents bestow much love Lucian Lytle, who has been mining on their children, and the love they re-Ome on While It is repaid by the children to the next selves repay the debt they incurred to their own parents. It's the same with the an of his choice is repaid by her in part to himself, in part as care on her side for the up otherwise. The man must love, first, his wife, then his children; the woman must love her children best of all and re-

"Let's have a cigar," the major said, Mr | with a yawn. "We're growing quite sen timental."

They smoked and went below. In half an hour all was still, save on the bridge, where the officer of the watch paced up and down and peered before him into the dark, for fog was forming.

Fog on the "banks" at night is a terri-

ble thing to the experienced seaman.

About 2 in the morning every soul on board was awaked at once by a terrific iron plates clanked; her timber creaked and shivered. The bows were stove in. She had run into an iceberg!

In a second the electric light had gone out, and all was darkness. Too terrified for screams, men, women and children groped their way through the long corridors and up the companion ladder. On deck a few dim lights made the gloom just visible. cumbered the quarter deck; the forecastle collision

second officer, revolver in hand, was holdmuch shorter for hauling freight by second officer, revolver in hand, was hold-wagon and a much better road will be at bay the half naked stokers, who

> tight against her bosom. "Women and children forward!" the aptain called out in his clear, calm voice. With a wild sob and a flerce embrace Maimie clung to her husband. "Arthur, Arthur," she cried, trembling,

> they let you go with us?"
>
> 'No, darling," Arthur answered, kissing wife and little ones. "This boat is for women and children only." Then I must go with the children, Malmie sobbed, breaking forward.

They took their sears on the thwarts and were pushed off into the dark deep. After three days at sea in the open boat they reached Cape Race. But Arthur wens down on the sinking steamer.

He was justified, after all. Instinct had solved the problem aright for Mahmle.— Grant Allen in Sketch.

A drummer on his first trip called upon a well known druggist. He was nervous as he put his hand in his pocket and handed out a card. "I represent that concern," said the

young man. "You are very fortunate," replied the druggist. The drummer was encouraged and said:

"I think so, sir. And the druggist who trades with us is even more so. My concern has the finest line of cosmetics in the

ountry."
"I shouldn't have thought it," slowly "Her responded the man of medicines. "He color looks natural." And he handed he the photograph which the young man had given him by mistake. He took it and Headquarters for the Eugene left without waiting to make any farewell romarks.—Washington Star.
