Moorehouse went to Eugene this week. Miss Edith Barber of Camp Creek visited at this place Saturday and Sunday. J. W. Smith of Natron was seen yesterday looking for the justice of the peace. Something must be wrong again. A social dance was given at the hall last Saturday night. A good time and a fair attendance was reported. The loggers came down this far today and camped for the night. They are going slow but sure. WHEN THE BOWELS ARE DISORDERED. So time should be lost in resorting to a medicine remedy. Hostetter's Stomach Bitters is the most reliable and widely extended medicine of its class. It removes the causes of constipation, or of undue relaxation of the intestines, which are usually indigestion or a misdirection of the bile. When it acts as a cathartic, it does not grip and violently evacuate, but produces gradual and natural effects, very unlike those of a drastic purgative, and its power of assisting digestion nullifies those irritating conditions of the mucous membrane of the stomach and intestinal canal which produce flatulencies, and occasionally dysentery. The medicine is, moreover, an agreeable one, and does not produce any disagreeable and transiently nighty slumber as both promoted by it. Daily Guard, July 9. LAWN SOCIAL.—The lawn social given at the residence of Mr. and Mrs. Robert McMurphy last evening by the ladies of the Congregational church was a very nice affair but was not largely attended. A great many people have left for the mountains or seaside and a great many more are making preparations to leave, consequently anything in the social line has but little attraction during the warm months to come. The large lawn was prettily decorated with Chinese lanterns last evening and presented a very beautiful sight. The Eugene Cornet band had been engaged for the occasion and played a number of pretty pieces. A Good Thing. The undersigned desires representative to sell their line in your locality and can make a proposition that will be more than satisfactory to anyone addressing them. Address, with stamp, THE MIDLAND POTTERY CO., Roseville, Ohio. KILLED.—The T.M. of Wednesday says: "Word was received here last night that Isaac Sweringer was shot and killed by Harry Campbell last Friday night at his home 25 miles southeast of Prineville. It is stated that Campbell had been visiting Sweringer's daughter, which was distasteful to the latter, and he had ordered Campbell to never come to his house. Returning home Friday night, Sweringer found Campbell there, and a fight ensued in which Sweringer was killed." The murdered man formerly resided in Lane county. Daily Guard, July 9. NOT HEARD YET.—The case of Ralph Winkley and Henry Miller, charged with passing a Confederate five dollar bill, was to have come up for hearing before Justice Wheeler today, but at present has not been disposed of. The case will probably be dismissed, as the law is indefinite on that point and does not make it a crime to pass Confederate money. IN SESSION.—Commissioner's court is in session. Present, Judge Potter, Clerk Jennings and Commissioners Callison and Bailey. Judge Potter and Commissioner Bailey look their seats for the first time this morning. BUYER'S FILE REPOSITORY. Is guaranteed to cure Piles and Constipation or money refunded. 50 cents per box. Send two stamps for circular and Free Sample to MARTIN H. WYATT, 122 Broadway, New York, N. Y. No PORTALS ANSWERS. For sale by all druggists and grocers everywhere, and in Eugene Oregon by Osburn & DeLano. Daily Guard, July 9. LICENSE TO WED.—County Clerk Jennings today granted a marriage license to Rosine R. Alford and Miss Pearl L. Roper.

BONDSMEN APPROVED. To Advertise Oregon. The Pacific Northwest Immigration Board of Portland has issued the first copy of its paper, "The Pacific Northwest." The paper is gotten out for the purpose of advertising the resources of Oregon in the East. The paper is a 16-page edition containing illustrations and write-ups of attractive points and serial matter, all of which make an attractive paper and one which will be read with interest anywhere. The Portland board makes a proposition to the local boards of each county to advertise their localities in "The Pacific Northwest." The board guarantees a circulation of 10,000 copies of the paper, which will be scattered among the most desirable class throughout the East. They offer to sell a space of one column to each county for a term of one year for \$120. This column is to contain write-ups of the county represented in each issue, the paper being issued once each month. In addition to the regular space purchased by a county, that locality will receive special attention by the board from time to time in a general way. So far only four counties in the state have taken hold of the matter. The local board of Lane county is now considering the advisability of securing space in the paper. The investment would no doubt be a paying one. All Free. Those who have used Dr. King's New Discovery know its value, and those who have not, have now the opportunity to try it free. Call on the advertised druggist and get a trial bottle, free. Send your name and address to H. E. Becken & Co., Chicago, and get a sample box of Dr. King's New Life Pills, free, as well as a copy of Guide to Health and Household Instructor, free. All of which is guaranteed to do you good and cost you nothing. Henderson & Linn's drug store. WALTERVILLE ITEMS. The teachers are returning to their old stamping ground. William Brooks, Hattie Dotson, Fannie, Edna and Belle Millican have returned home. We notice that there are a number of people out on picnics. One thing they never forget is a fishing rod. J. W. Shumate is in his new store now and ready to accommodate his friends and travelers. School will close on the 7th inst with good results. Harvest has begun with the farmer. Mr. John Stormant and Stella McNair joined hands in holy matrimony on the 3rd inst. Mr. Baker expects to put goods in his storehouse soon, so the rumor goes. Wedding. Daily Guard, July 9. The marriage of Rosine R. Alford of Latourel Falls and Miss Pearl L. Roper of this city took place at the home of Bishop Mills, who performed the ceremony last evening in the presence of a select company of the bride's friends. The parlor was beautifully decorated with flowers, and the menu was served in a tasteful style. The happy company spent a pleasant evening and then escorted the wedding party to the train and sent them on their way rejoicing. The bride and groom are well-known teachers whose many friends wish them a long and happy life in their new home on the beautiful Columbia. Letter list. July 9, 1896. Persons calling for letters will please state when advertised. T. J. CRANE, P. M. Daily Guard, July 9. ON TRIAL.—The case of Fred Flint, charged with larceny of money by false, was called before Justice Wheeler at 10 o'clock this afternoon and is being heard before a jury. Deputy Prosecuting Attorney Williams represents the state and Attorney George W. Kinsey the defense. The following jury was drawn: W. P. Fisher, J. B. Harris, M. S. Wallace, J. S. Murray, C. A. Wintermeier and Ed Howe. Defendant is accused of having found a purse containing \$14 in money, which he refuses to deliver over to the proper owners. He denies having found it though several witnesses has testified that defendant had admitted in their presence that he had found the money. There is more catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors have pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, have proved that catarrh is a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer \$100 for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., TOLEDO, O. Sold by druggists, etc. Daily Guard, July 9. BIDS IS.—W. T. Campbell, agent, has received all the bids for building H. E. Ankeny's new residence in this city. But the bids were entered, as follows: L. N. Roney, \$2265; W. H. Alexander, \$2278; H. N. Ely, of Salem, \$2379. The contract has not yet been let. SHOULD CHANGE.—The weather sometimes lets with no change. F. E. Dunn is more of a ruster than the weather officials and believes that a change in his ad occasionally is more conducive to a lucrative business. Take a look at his ad in this issue. Creswell Casualties

Hadleyville Items

July 6, 1896

The weather is exceedingly warm and the roads are unusually dusty.

The bears and coyotes are reigning supreme in the farmers' flocks.

Our mutual friend and neighbor, M. C. Goodenow, will soon open business in the city.

Miss Myra Nighswander has returned home from the Drain State Normal School, from which institution she graduated not long since.

We shall soon hear of her answering to the roll of the "weary pedagogues."

Messrs. Bartsch and Morris, of Eugene, who are seeking recreation at the Milburn springs, killed two bears last week, after firing seventeen times. They could have killed the third had they not mistaken it for their dog. No doubt they were badly frightened.

Mr. and Mrs. F. M. Nighswander, of this place, took dinner with Elder and Mrs. Doty at Lorane, as they returned from Drain, where they attended the commencement exercises.

We think Mrs. Berrier and Mrs. Goodenow deserve a great deal of praise for their courage and bravery while they were away at work, now that the bears and coyotes are so numerous.

Prof. J. F. Blanchard, of the Drain State Normal School, visited friends in Hadleyville for a few days last week. He will spend the vacation with his parents, who reside in Jefferson.

Mrs. M. C. Goodenow, who has been duly appointed and sworn deputy postmaster of this place, faithfully discharged her duties in that office, while Mr. and Mrs. Nighswander went upon their late journey into Douglas county.

Wm. E. Simmons and family, of Irving, have been celebrating the 4th and visiting relatives in this neighborhood.

On July 25th there will be held at the Milburn springs a Sunday School picnic. Come everybody. We bid you bring your baskets and join us. The mountain road is in better condition now than it has ever been before. Don't be afraid, but come; we bid you welcome. COYOTE GREENS.

Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoea but kept getting worse. I sent him this remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful remedy.—Mrs. Mary Sibley, Sidney, Mich. For sale by Osburn & DeLano.
