For the improvement of Grays harbor and bar, a plan for a jetty 81/2 miles to the sea on the south side of the harbor, to secure a low-water depth of 24 feet, has been decided upon, and contracts will be let for the work. It is recommended that the full amount permitted by law-\$400,000-be appropriated for the next fiscal year.

In Gray's harbor and Chehalis river, to carry the dredging to a depth of sixteen feet will largely exceed the estimate of cost.

The extersion of the Northern Pacific railway to the lower-harbor towns is said to have lessened the importance of the river as a highway, so that no coasting vessels have navigated it above Cosmopolis since 1892, and it is recommended that the plan for dredging a channel through the shoals to give coasting vessels access to Montesano be reconsidered.

The importance of greater facilities for keeping the rivers flowing into Puget sound free from obstruction is In connecting Puget sound urged. with Lakes Union and Washington, the Smith's cove route is favored, and the engineer urges that preliminary work be done before right of way is secured, and says that \$500,000 can be profitably expended during the year. The earnestness of the people of Everett for pushing the work of their harbor is commended, and \$15,000 is

recommended to be expended during the fiscal year ending June 30, 1898. The opening of Swinomish slough at the earliest possilbe date is urged. It is reported that the expense of carrying out the project for removing

boulders, etc., from the Upper Columbia and Snake rivers is so great that it should not be begun with the present appropriation.

POPULIST PLATFORM.

Drawn up ... California for the St. Louis Convention.

San Francisco, July 20.-F. M. Wardell, chairman of the Populist state central committee of California, and J. Taylor Rogers, Mayor Sutro's secretary, have prepared a platform which it is proposed to present to the national Populist convention at St. Louis next week. The financial plank is as follows:

"We demand a national money. issued directly by the general government only, as a full legal tender for all debts and issued without the agency of any private corporation or bank, and in circulating volume; subject to law and responsive to our needs, and speedily to be increased to \$50 per capita of the

entire peopla. "Such money shall consist of gold, silver and paper, each dollar thereof endowed with the same function, imparted solely by the stamp thereon, and not dependent for its money value upon the price of the material used. Each dollar shall be interchangeable was a member of the international and shall be denominated respectively the fisheries convention, during Secregold, silver or paper money-all national debts being payable in either, at the option of the government.

"As the United States is a free and powerful nation and the financial and industrial liberty of its citizens should be independent of the action of any other government, we demand the free and unlimited coinage of gold and silver by the United States at the present ratio of 16 to 1, without reference to the course of any foreign nation.

"We demand that all national banks be abolished, and in lieu of them that the government establish a postal bank in each city, town and village of the United States containing a population of 1,000 or more."

The platform also declares for the recognition of Cuba and against the re-

funding of the Pacific railroad debts, A Woman's Terrible Deed.

to keep the report of the massacre secret, according to the Chronicle's correspondent. He also reports that in the Bitlis dis-

trict almost every village has been ruined and that a massacre is imminent at Antab, the beginning being deferred until an order is received from the sultan's palace.

No Sigus of Peace.

Canea, July 20.-Tuesday evening after a consular council one of the consuls declared the situation to be very grave. The military authorities are assuming an aggressive attitude. The general sentiment is that Abdullah Pasha is striving, in conjunction with the Mussulmans, to prevent an entente from being brought about.

The Turks were repulsed yesterday by the Christians. The affair was a serious one, a large force of troops being engaged. The military authorities are acting contrary to the instructions received from Constantinople. Mussulman population is working actively with the Turkish army with the usual vexatious results.

Seven men and two women who were engaged as harvesters have been massacred at Kostani. Reports come in giving accounts of fighting and pillaging in five other villages. These have ren-dered the consuls and the native Christians pessimistic regarding the possibility of making peace.

A Sky Scraping Skeleton. Chicago, July 20. - Chicago is to have a tower, the highest of its kind ever constructed. It is to be called the Seth tower, and will be 1,150 feet high and 500 feet square at the base. The tower company is an incorporated one, capitalized at \$800,000, having for its president D. B. Proctor, and will rear this

lofty steel skeleton on the old baseball park property owned by the New York people, for which a lease for a term of years has been secured. This enterprise is based on business lines, and the projectors of the scheme intend to quip the tower with a theater, restaurants, searchlights, and telescope, while such entertainments as aerial flights, balloon ascensions, parachute drops and high tightrope performances, as well as electrical and pyrotechnical displays will be given. Chicago's tower, its promoters say, will surpass the Eiffel tower, in Paris, in point of design, magnitude and appointments, and will contain fourteen elevators,

as against six in the Eiffel.

A Murderer Killed. Spokane, Wash., July 20 -Trainmen on the Great Northern train, which arrived today from the West, report the killing of David Leroy, a fugitive murderer, by a sheriff's posse, from Snohomish. The killing is said to have occurred near Wilson creek. It is said the sheriff's posse ran Leroy into the rocks, where a running fight took place. Leroy barricaded himself behind some boulders, where he was shot and killed by the officers. On June 29, at Monte Cristo, Leroy killed a peddler named Nathan Phillips, putting three bullets into his victim, after wihch he robbed him of his pack. DRAIN ON THE RESERVE.

Gold Going Out of the Treasury at a Rapid Rate.

stock market.

New York, July 17.-Drains on the gold reserve in the subtreasury continue, both in gold taken for export withdrawn lately are comparatively insignificant. It is these small amounts, however, which disturb financiers and cause an additional depression in the Reports were current and found

ready credence that steamships sailing for Europe this week will take away the largest quantity of gold shipped in any one week in months. Several of the largest gold shipping bankinghouses were said to be preparing to make shipments and they would not deny the report. The rate of exchange also advanced to a point near where gold shipments will be profitable, and in addition the report that the Rothschilds are to issue a new \$200,000,000 loan of gold to aid Russia in going to the gold basis was thought to be an indication that other large shipments on special contract will be made. Deputy Assistant Treasurer Auhlman, of the subtreasury, in speaking of this loan

"If the loan is made it will quite naturally result in gold being withdrawn from this country, but I have no information as to the loan, and therefore cannot make a prediction."

The amount of gold which it is said will be withdrawn from the subtreaspry for shipment this week is variously estimated at from \$1,500,000 to \$3, 000,000.

The gold in the treasury today is estimated at \$98,271,000, and predictions are made that by the 1st of August the gold reserve will be close to \$90,000,000. There has as yet been no talk of a probable issue of bonds in case the reserve falls to a dangerously low figure, but several well known bankers say there need be no alarm on that score, for President Cleveland will undoubtedly issue bonds at any time he may deem it necessary.

IN A LOSING BUSINESS.

Unprofitable Loans Made by the State on Lands.

Salem, Or., July 17 .- In each county of the state, with the exception of Crook and Harney, the state board of school land commissioners has appointed attorneys. It is the duty of the board's attorneys to receive applications for loans on real estate in their respective counties, to examine titles, make recommendations to the board, and to attend to collections, making foreclosures, when directed by the board.
