## HOUSE DESTROYED.

Judge Fullerton's Residence at Roseburg Burned; Loss, \$10,000. Insurance \$2,500.

Special to the Guard.

Douglas, Jan 12.—This morning at 4 o'clock Judge J C Fullerton's residence was destroyed by fire. A small portion of the furniture was saved, but the major portion of it was destroyed, including the piano and the highly prized furniture formerly owned by Dr A Kennel. About one half of the judge's law library was destroyed.

The house will amount to fully \$10,000 while the insurance is only \$2,500.

The cause of the fire is not fully determined, but it was certainly accidental. It appears that a pipe of Judge Fullerton had been sick in the house for some time and died Sunday last. The sickness a stove was placed in one of the unused rooms and it is thought it caught in some manner from that. Judge Fullerton thought last evening that it smelled smoke but after a search could not find it.

INSTALLATION AT LIVING.—The Irving Old Fellows installed officers as follows, Saturday evening: N O L L Bond; Treas, Green Zinwald; Conductor, Clay Zinwald; Warden, Frank Bond; R S W G, J Westerson; L S W G, F Miller; R S V G, J Bushnell; R S V G, T J Linder; R S S S, S M Martin; L S S S, J H Yates; O G, J C Martin; I G, David Wack; Chaplain, John Jacate; W W Chessman of Springfield acted as installing officer. About 15 members of Spencer Bates lodge were in attendance and report having had an excellent time. An elegant supper was served during the evening.

Daily Guard, January 12.

AN AFTERNOON TREAT.—This afternoon between the hours of 3 and 5 o'clock Mrs N K Frazier entertained a number of her lady friends at her home on North Pearl street. Tea, salad, sandwiches and cake were served. Those present were: Mesdames Ankeny, Wheeler, Hopkins, Masterson, Chas, B F Dorris, O Dell, Underwood, Thurston, Henderson, Billver, Robinson, McClung, Condon, Veszie, E C Smith, McClure, Walton, Risdon, L M Miller and Shelton.

DELINQUENT TAXES.—Sheriff Johnson's books show the delinquent taxes for the four years ending January 1, 1897, to be as follows: 92 tax, \$3675.87; '93 tax, \$181.17; '94 tax, \$844.74; '95 tax, \$228.40. Total amount delinquent for past four years, \$4830.18. The amount on the 1895 roll will be considerably reduced yet as there is quite an amount to be paid on extension and otherwise. The showing for the year 1891 is especially good.

Daily Guard, January 12.

LAMP EXTINGUISHED.—Constitution was granted in Pool's bowling alley last night by the explosion of a kerosene lamp, caused by being upset by a mispenced ball. The flames were smothered out by those present before they did any serious damage.

## "THE BEAUTIFUL"

A Fleecy Embrace tarb Enveloped the Entire Landscape.

Daily Guard, January 12.

The cold piercing fog which for several days has enshrouded this part of the country was driven away last evening to give place to the beautiful snow; its second visitation this winter. The emotion who arose early this morning was surprised to find everything wrapped in a cloak of silver down, and while it lasted on a parallel with his nose, fortune's neighbor who surely nestled under the warm cover until the warmer part of the day arrived.

Outside sister's frosty breath was being laid down from the north and the tiny, feathery flakes of the purest white were drifting and sifting and settling like and onto everything everywhere. A fleecy embrace tarb enveloped the entire landscape. Old people groaned and grumbled and shook their grizzled heads and thought and talked of the times long ago when it was used worse.

The small boy was happy with delight. His mischievous eye twinkled as he passed a handful of "the beautiful" into a compact form of the proper weight and dimensions to promptly and surely remove some innocent pedestrian's tin, when sent whirling at the proper angle through the hazy atmosphere. It was a vexation and a botheration to the unsuspecting modest maiden to be abruptly belted while on her way to college and have her pretty face undergo a great rubbing process which most effectively removed all that unnatural polish coloring, leaving in its stead a brighter rose hue. It was trying to the drollish dignity of the university fellow student and have that well-combed football plait all knocked out of shape. It was trying, too, to have to take Bill De Vera's method of leaving Colorado when you had a street car ticket in your pocket; but those are only a few of the accompaniments of a snow storm.

The ground was dry when the snow began to fall, the temperature has remained down and the snow has staid on pretty well today and has continued to fall most of the time, but has not reached a depth of more than a couple of inches.

Daily Guard, January 12.

## THE BEST SPRING MEDICINE

is SIMMONS' LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS' LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get THE BEST BLOOD when your system is in AI condition, and that will only be when the Liver is kept active. Try a Liver Regulator once and note the difference. But take only SIMMONS' LIVER REGULATOR—it is SIMMONS' LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS' LIVER REGULATOR. You'll find the RED Z on every package. Look for it.
