A Monday Morning Idyl.
This morning when the robins
Sang in the apple trees,
And all the budding branches
Were stirring in the breeze,
I saw two pretty maidens
So slender and so fair,
With sun-kissed curling tresses,
And dimpled elbows bare,
And white of the blue-birds fluttered
Like bits of fallen sky,
Tossed here and there at random
On winds that wafted by,
These dear and dainty maidens—
The violet and the rose—
With rounded arms uplifted
Were hanging out the clothes.
Now Monday's always wash-day,
As everybody knows,
And so these pretty maidens
Were hanging out the clothes.

INTER-COLLEGIATE ATHLETICS
The Annual Field Day Arranged for.
—A Baseball League Formed.
The annual convention of the Oregon Intercollegiate Athletic Association was held in Salem last Friday, Howard Davis and D. V. Kuykendall representing the University of Oregon. At this convention it was decided to hold the annual field day in Salem June 15th, under the auspices of Willamette University. All the colleges of the state, except Portland University, will be represented in the contest.

The following officers were elected: president, F. E. Brown, of Willamette University; vice president, L. M. Travis, of the U. of O.; secretary, Mr. McCracken, of the State Normal school at Monmouth; treasurer, Mr. Bodine, of the Oregon Agricultural College.
At Newberg last Saturday, an intercollegiate baseball league was formed to include the following colleges: Pacific College, McMinnville College, Albany College, Oregon Agricultural College, and the University of Oregon. The following officers of the league were elected: President Fred Fisher, of Manmouth; secretary, D. V. Kuykendall, of Eugene; treasurer, Will Gilman, of Newberg.
The schedule of games was arranged as follows: Albany vs. Corvallis, May 1st; winner vs. Eugene, May 15th; McMinnville vs. Newberg, May 1st; winner vs. Monmouth, May 15th. The final winners will play together May 25th. The places for the game have not been settled yet.

In Honor of Miss Crain.
A very pleasant reception was held Saturday evening by the Misses Wold at their home on the corner of High and Ninth streets in honor of Miss Crain of Junction.
The time was very pleasantly spent in social converse and in listening to music and recitations. During the evening delicious refreshments were served. Those present were: Miss Crain, of Junction, Mrs. Wold, Miss Wold, Misses Jean and Grace Wold, Mr. and Mrs. McMurphy, Mrs. Lucas, Mr. and Mrs. Linn, Mrs. Brooks, McClain of Tacoma, Wash.; Misses Sue, Cecil and Bernetta, Dennis, March, McClaire, Cuddeback, Ellen and Cella LeClair, Pankhurst, Jessie and Margaret McClung, Densmore, Adair, DeLashmitt, McClure, Kaufman, and Bright; Prof. Friedel, Messrs. Nash, Wm. McClure, Whittlesey, Wilkins, Kaufman, Johnson, Lister, Booth, Wetherbee, Hopkins, Watkins, Hall, and E. U. Lee, of Junction.

The Tax Roll for 1896.
Last Saturday County Clerk Jennings completed the tax roll of Lane county for 1896 and turned it over to Sheriff Johnson. Some very interesting items appear on the roll, among which are the following:
Total tax levied by cities \$10,181.13
Total tax levied by special \$9,971.67
Total tax levied for county and state raises \$100,113.00
Total \$120,265.80
During the year there were three special taxes for cities and thirty-two special taxes for schools. These special taxes, together with the changes or alterations made by the state board of equalization, largely increased the work of correction and extension over that of any previous year.
Of the total tax of a little over \$120,000, the Southern Pacific Company pays \$10,000, or nearly one tenth.

Rev. George A. Blair Surprised.
Eugene Oregonian correspondent: A tribute of affectionate esteem was tendered to George A. Blair and wife last Monday evening at the parsonage in the form of a surprise gathering of the members of his church. The Rev. Mr. Bishop addressed the host and hostess in a humorous but masterly manner, touching upon the deep affection entertained by the members of the Cumberland Presbyterian church for their faithful pastor and wife. The pastor graciously and feelingly expressed sincere appreciation of the hearts of his flocking together and congregation. Under the gentle influence of music, toasts, stories and recitations the hours of the evening sped, and with hearty words of encouragement to their loved pastor and his esteemed wife the gathering of 50 guests was dismissed.

THE NEW STORE.—March 1st was the day set for the opening of J. V. Kauffman's clothing and furnishing store and many of Eugene's people took advantage of the opportunity to examine the stock. The store presents a very pleasing appearance and no doubt the firm will obtain a fair share of patronage.
A CHANGE.—Jack Craig has retired from the Ninth street barber shop and is moving his family to Springfield where they will reside in the future. Bert Vincent has retained and is charging the shop on Ninth street and has repaired and a number of other improvements made.
BIRTHDAY PARTY.—About thirty of Grover Long's young friends gave him a pleasant surprise party Saturday on the occasion of his twelfth birthday. A luncheon was served, and a pleasant social time enjoyed by the young visitors.

A SUDDEN DEATH.

G. P. Griffin, One of Eugene's Prominent Citizens, Dies Unexpectedly at His Home in This City.
Mr. G. P. Griffin died at his home in this city last Saturday evening at 11 o'clock at the age of 64 years, 1 month and 13 days, after a protracted illness of several years. His death was sudden, for while it was known that his condition was critical, not even members of his family thought the end so near.
Gilbert Potter Griffin was born in East Hamburg, Erie county, New York, January 14th, 1833, where he, a farmer's lad, lived until the age of seventeen. The four years following he clerked in a mercantile establishment in Buffalo, New York, and then filled with the spirit of adventure, he drifted west and spent the next three years in Michigan. From Michigan he went to Illinois where he met and married Mary Spraker, June 15th, 1859.

The Pike's Peak excitement brought Mr. Griffin to Colorado, and from there he came to the coast, coming to Oregon for the first time in 1862. While on the coast he spent most of his time in Nevada, superintending the building of a quartz mill. After an absence of thirteen years, he then returned to his old home in New York to visit his parents and spent the following seven years in the mercantile business in his native state.
Leaving New York in 1876, he gradually drifted west, remaining three years in Illinois and nine years in Iowa. During this time he was extensively engaged in stock raising in Wyoming and Montana. Finally Mr. Griffin came to Oregon for the benefit of his health in 1888 and located in Eugene, where he resided until his death.
During Mr. Griffin's residence in this city, he was engaged in the hardware business, and at the time of his death was president of the Griffin Hardware Company, of which his son, G. W. Griffin, is secretary. He always took an active part in municipal affairs and was for a time one of the members of the city council. He was a man of sterling integrity and in his death Eugene has suffered a great loss.
Besides a mother, three sisters and a brother, he leaves a wife, one daughter, Miss Lizzie Griffin and three sons, G. W., Drew and Charles Griffin to mourn his loss.

The funeral was held at the family residence this afternoon at 2:30 o'clock, Rev. C. Brooks officiating. The remains were interred in the IOOF cemetery.

THE OREGON LEGISLATURE.
Only 21 Present Today—Sergeants-at-Arms Appointed to Bring in Absentees.
SALEM, March 1.—The house roll call showed 21 present.
Justice Moore administered the oath of office to ten assistant sergeants-at-arms appointed to compel the attendance of absent members.
Adjourned until Tuesday afternoon at 3:30.
[Lark Bilyeu has not yet been caught by one of the sergeants. I.e probably does not know they are after him.]

THE EUTAXIAN SOCIETY.—The Eutaxian Society of the University of Oregon, held its regular weekly meeting last Friday afternoon, President Floy Watkins presiding. After the routine business was transacted, Miss Agnes Adams delivered an expurgated address on the subject, "The Decline of the American Republic." The address was excellent and closely listened to by the society. Instead of the regular debate, a discussion of parliamentary law, led by Miss Theresa Friendly, was then entered into. This discussion was well conducted and brought out some features of parliamentary practice, with which several of the members were unacquainted. The session was a very profitable one and was greatly enjoyed by those present.

CHRISTMAS DONATIONS.
The impressive lesson of charity was again given at Christmas time by collecting contributions and dispensing them to the needy.
More interest and greater liberality prevailed than heretofore and besides the lessons of charity to the children, much substantial aid was given to those who most highly appreciated it.
SCHOOL FURNITURE AND APPARATUS.
The furniture of the Central School is not as good as many would like to have it, but it is as good now as it has been for the past twenty years and therefore the board has felt that it may possibly suffice for a year or so yet until the present distressing times may change. The school is likewise without suitable apparatus and for the same reason has been allowed to remain so.

Respectfully submitted,
WM. PRESTON,
J. L. PAGE,
C. S. FRANK,
Directors.

ANNUAL SCHOOL MEETING.

Reports of Clerk and Directors of District No. 4 Submitted.
Daily Guard, March 2.
The annual meeting of school district No. 4 was held in the court house at 7 o'clock last evening.
Owing to the sessions of the circuit court which are held in the same room, the meeting had to be hurried through with. The reports of the clerk and directors were read and approved as follows:

DIRECTOR'S REPORT.
EUGENE, OREGON, March 1, 1897.
To the citizens of School District No. 4, of Lane County, Oregon:
We have the honor to respectfully submit herewith the following report for the past school year.
In the maintenance of the school for the past year it has been the faithful endeavor of the board to exercise the most judicious business management and economy.
Believing the previous year's work to have been most successful all the teachers were retained, but later Miss Alice Dorris resigned and Miss Emma Pratt was elected to fill the vacancy.
Thorough work has been done in all the grades and proficient scholarship has resulted.
A strict and wholesome discipline has been maintained by the mildest possible means.

GRADE OF THE SCHOOLS.
There has been some anxiety expressed in regard to the grade of the schools, since it has been stated that the Regents of the University has cut off two years of the four years preparatory course.
Since that announcement the board passed a resolution to add another year's work to the public school course of study so as to fully prepare the pupils to enter the University.
The grade of the public schools has been amply sufficient to do this heretofore.

Every moral and social virtue has been persistently taught and inculcated in to the minds of the pupils and all forms of vice duly restrained.
It is confidently believed that no school in our country excels the high moral standard of our own.
The most hearty good will prevails and respect for the rights, duties and privileges of others is had at all times.
The attendance during the year last past has been up to the standard heretofore maintained.
The average attendance was five hundred and seventy-six, being a slight decrease from the preceding year.
The buildings and grounds have been kept in a cleanly and healthful condition and there has been no serious sickness among the pupils.

PIONEER DAY.
One-half day was set apart and observed in the Central School as Pioneer Day and invitations were sent out to the early settlers. Old time recitations and songs were rendered by the pupils and addresses were made by the pioneers who were present.
All the public holidays and others set apart by law have been observed and there has been taught respect for the founders and leaders of our nation, reverence to God, love of parents, home and country.
Instruction has been given throughout the schools orally and by regular text book and recitations in morals and the effects of narcotics and stimulants.
The cigarette habit and the use of tobacco has been almost wholly suppressed among the pupils.

ACADEMY OF SCIENCE.—The Academy of Science of the University of Oregon held its regular monthly meeting last Saturday evening. The feature of the meeting was a lecture on "Plant Life" by Mrs. H. F. McCracken.

THE TRIUMPHANT ORATOR.

His Classmates, the University and Citizens Unite in Doing Him Honor.
Members of the faculty of the U of O, students and citizens turned out en masse yesterday evening in honor of Mr. Fisk, the intercollegiate oratorical champion of Oregon for the present year. In all there have been five of the intercollegiate oratorical contests, and once before has the U of O been victorious. This was in 1892, when Miss Julia Venzin, class of '95, carried off the honors.
Last evening the large auditorium of Villard Hall was completely filled. Conspicuous among the audience was the class of '97. Seated on the right side of the gallery, the class pennant of purple and gold hanging in graceful folds below them, they presented a picture of triumph and college enthusiasm rarely equaled in the history of the University. Not less deeply than Mr. Fisk himself, do his classmates appreciate the great honor the successful contestant has brought upon himself, his class and his college.

Promptly at 8:30 o'clock, members of the faculty, the executive committee of the board of regents, Mr. Fisk, and Mr. Woodson, president of the class of '97 and presiding officers of the evening, mounted the rostrum. The yell of '97 was given with a will and the audience settled itself to listen to an interesting program.
The introductory address was made by Mr. Woodson, and was followed by an instrumental solo by Miss Slater. Mr. S. H. Friendly, in behalf of the regents, spoke a few appropriate words after which a pleasing duet was sung by Misses Yoran and Hendricks. Prof. Carson then delivered a short address. Mr. Fisk then rose to respond and as he stepped to the front of the rostrum a perfect roar of applause greeted him. He thanked the students and the faculty, the regents and citizens for their interest in the contest and for the kindness they had shown him, and after a short but feeling address resumed his seat.

The program was closed by a vocal solo by Miss Cecile Dorris, after which an informal reception was held.
After the reception in Villard hall, the Senior class adjourned to the Bonboniere where a supper was given Mr. Fisk by his class.
The tables were beautifully decorated with the colors of '97 and draped upon the wall back of them was the class pennant. Toasts were responded to by Miss Underwood and Miss Kelly and Messrs. Travis, McFadden, Keeney and Fisk, and college songs were sung, one of them having been written by an enthusiastic collegian expressly for the occasion. Before breaking up for the night, a flash picture of the class was taken.

REGISTERED AN OFFICER.
In the Discharge of His Duty. Serious Results Apprehended.
COTTAGE GROVE, March 2.—Yesterday evening City Marshal J. B. Baker was assaulted and seriously injured by R. H. Mosby, whom he was trying to arrest.
Mosby, in company with several disorderly characters, had become intoxicated and was creating a disturbance, when Marshal Baker attempted the arrest. Mosby resisted the arrest, the officer on the head with a heavy iron bar, inflicting a wound which is serious and may prove fatal.
Mosby has an unsavory reputation and this is not the first time he has had troubles with Marshal Baker. He has frequently resisted arrest and has several times succeeded in escaping the officer.
Marshal Baker is under the care of Dr. Wall. His condition is precarious and no one can say what the result will be.
L. T. Harris of Eugene, deputy prosecuting attorney, arrived from Eugene this afternoon. A warrant has been sworn out for Mosby's arrest.

THE BEST
SPRING MEDICINE
Is SIMMONS' LIVER REGULATOR—don't forget to take it. The liver gets sluggish during the winter, just like all nature, and the system becomes clogged up by the accumulated waste, which brings on Biliousness, Headache and Rheumatism. You want to wake up your liver now, but be sure you take SIMMONS' LIVER REGULATOR to do it. It also regulates the liver—keeps it properly at work, so your system will be free from poison and the whole body invigorated.
You get PALE, DRETT BLOOD when your system is in all condition, and that is why you want to wake up your liver. Try a LIVER REGULATOR and note the difference. But take only SIMMONS' LIVER REGULATOR—it is SIMMONS' LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder, but take only SIMMONS' LIVER REGULATOR. It is the BEST of every kind. Look for it.
