

In Condensed Form From Both Continents.

Ill. A meat train bound for Hammond the Chicago, Hammond & Western mainder of the train thrown from the track.

A small band of unemployed workmen have begun the construction of a boulevard in Golden Gate Park, San Francisco, to pay for which public subscriptions have been taken. Ex-Mayor Sutro warned the workmen to keep off his land, and as the boulevard extends across Sutro's property, work had to be suspended. Sutro has promised to sign a deed for the strip, however.

Miss Blanche Berard, the oldest postmistress in the country, who has held office for a half century, has resigned. Administrations and presicame and went, postoflices were reorganized and reclassified, great political the government, but she remained undisturbed at West Point, N. Y.

A Havana special to the New York World says: Through Cubans here it is learned that a train carrying Spanish troops was blown up by dynamite while passing over a deep gorge south of Candelaria, Pinar del Rio province, and neary 250 soldiers were killed or mjured. The locomotive and six cars were demolished. The tragedy occurred about the 10th inst.

In the executive session of the senate, Senator Stewart offered an amendment to the Alaskan boundary treaty, which ment of Senator Stewart, and, if car- agony. ried, is made a part of the treaty.

Governor Rogers, of Washington, has issued his Arbor day proclamation, recommending that Friday, April 30, 1897, be devoted by the people of Washington to planting trees, shrubs and vines and in other ways beautifying their homes. In connection with the governor's proclamation, State Superintendent Brown has prepared a programme to be rendered in the difthe first to the grammar grade, inclusive.

The report that the O. R. & N. Co. was contemplating an extension of its lines to the Kootenai country has been officially denied at the offices in Portland. No such enterprise is at present under consideration.

The Mississippi river is on the rise. At Momphis it has reached 36.3, the

A Polish Contenarian. Chicago, March 22 .- Adam Adamcek, a Pole, has just celebrated his 112th birthday. His wife is still living and is 87 years of age. Both are almost estally blind, and yet their genwend howith otherwise is remarkably good. Adamicek is believed to be the oldest man in Chicago, and as far as known the oldest in the United States. Until recently, none but the parish priest and kis Polish neighbors knew his remarkable story, although his

Interesting Collection of Current Events habitation had stood in the stretch of muddy prairie near the railroads for An Ocean Tragedy of Exceptional 551, and the general deficiency bill over thirty years. Adamicek's abnormally large head,

Five men were injured, two fatally, his short stature and bent form gave in a railroad accident at La Grange, him a brownie-like appearance. This is heightened by a surprising activity. jumped the track on the Belt Line" of His long gray hair straggles out from under a poked hat, and he wears a road. The engine was ditched, two of thin gray heard. For the last twelve the cars were telescoped, and the re- years, ever since he passed the century mark, Adamicek has remained within his muddy cabin. His muscles are not shrunken, nor his form shriveled. It s pitiful to see the uncertainty which his blindness gives to his walk, but he steps firmly about the house and the palisaded enclosure. The old man is an inveterate snufftaker, and has smoked nearly all his life. He has not been a total abstainer from liquors.

Ean Into an Open Bridge.

Chattanooga, March 22 .- News has just been received here from Cole City, a San. Domingian, who was compelled Ga., of a terrible railroad accident there to witness the death of his wife and at noon. A switch engine of the Dade Coal Company, running between the leviate their sufferings.
