THE FUTURE PROSPECT.

The politician is asking himself, what will the republican state convention do on the money question in order to win at the next election? Men actuated by principle rather than by partisan consideration are asking: and consistent with my convictions? If I am not for the gold standard shall I be induced to not directly or indirectly in the interest of the gold standard combination? Each must answer for himself. The people want economy and honesty in state and county affairs-expenditures cut down to the ability of the people to pay, republican; H. D. Norton, democrat; John V. Jenkins; peoples party; A. 8. no man or party can evade it. We must take a stand for the continuation must east our entire strength and influence against it.

IN CONCLUSION.

We have the gold standard, we know buy," and if the labor of the unemployed were put up at auction and sold to the highest bidder it wouldn't bring enough to buy each man a Cleveland badge or a ticket to the great prosperity circus, of which McKinley is the advance agent.

In two-thirds of the countles of this state the people are asking relief from high taxes and matadmin stration. In these counties the silver people are in the majority, and this relief can only be secured through a union of forces, which it is our imperative duty to give them. Never was a commonwealth in such need of wise action by would-be-leaders of the people. There is not room in Oregon for three silver parties, if we expect to give the people that protection against bad government, which it is the duty of those opposed to the present party in power of the gold standard slavery or we hand there is not room in Oregon for a to secure to the people. On the other union party that is not a people's party of the strictest Jeffersonian type. A union party to succeed must be r.
