

Eugene City Guard.

SAURDAY, JULY 24

Carter Harrison, mayor of Chicago, thinks wheeling better exercise than horseback riding.

The Oregonian is one of the unfairer organs in the United States. Yesterday it deliberately copied an "estimate of Bryan" from the Fossil Journal...

A Washington, D C, dispatch of July 19 says: It is announced that ex-Senator David B Hill will probably run for congress next year.

Sir Donald A Smith who was honored by Queen Victoria with a peerage at her diamond jubilee, left Scotland 50 years ago as an apprentice clerk of the Hudson Bay company.

Ex-State Senator Peterson, of Minnesota, has just been awarded \$1800 damages against the Western Union Telegraph Company because it transmitted an impertinent message to him from one of his constituents at Minneapolis.

California fruit affected with San Jose scale was discovered in the Salem market yesterday. The diseased fruit consisted of Bartlett pears. They were shipped to the Oregon Fruit & Produce Company by a fruit dealer named Seatin, in San Francisco, and came in boxes of the Earl Fruit Company.

Verdleton E O: It is stated that the Oregon Press Association will hold its regular annual meeting this year at Baker City.

THE NEW COURT HOUSE.

Formal Action Not Taken but Its Location Practically Decided Upon.

Bids For Foundation Will Be Asked For.

The board of county commissioners has not taken the formal action upon deciding the location of the new court house, yet it is practically settled, and if no hitch occurs, and none is anticipated, it will be erected in the lot the present building stands upon.

The new structure which is to be 87x94 feet in size, will be so placed on the lot to give a 50 foot lawn on the west and 40 feet on the south.

Bids will be asked for next week for the building of the foundation, the same to be opened August 16, and the same will be built this fall.

The bride is the eldest daughter of Mr Mount, of a charming personality that has won for her hosts of friends, and is one of the most popular of Eugene's fair daughters in the social and church circles of the city.

The young couple have taken up their residence on East Seventh street and start out in life under the most pleasant of auspices.

Those invited were: Mr Richard Mount, Prof and Mrs Condon, Mr and Mrs Pratt and Miss Raba Pratt, Mr and Mrs S B Eakin, Mr and Mrs R C Brooks, Mr and Mrs S Taylor, Mr and Mrs H Norton and Master Henry Norton, Mr and Mrs N Winters, Mr and Mrs E E Benedict, Mr and Mrs A E Wheeler, Mr and Mrs F L Gibbs, Mesdames W Shannon, A S Patterson, Ella Houghton and Sarah Barrant, Misses Grace Mount, Florence and Venia Adair, Harriet and Ruth Alden, Flora Wheeler, Mabel McCann, Sue Gibbs, Bessie Jennings, Lizzie Griffin, Clara and Fannie Condon, Frankie Rice, of Harrisburg, Miss McQueen, of Elgin, Illinois, and Messrs Earl Mount, W E McClure, Charles Taylor, J A Currie, Albert Benedict, Glen Benedict, Lloyd Cherry, and Howard Rowland.

Henry Marx, eldest son of Mr and Mrs C Marx, of this city, died shortly after midnight at Lebanon, Oregon, this morning, from heart disease, aged 21 years, 8 months and 29 days.

For the past three years he has been afflicted with heart and stomach troubles, and about six weeks ago his life was despaired of, but he got considerably better, and about two weeks ago he went to Sodaville to use the water from the springs, which had always before proven beneficial to him.

It appears that he had packed up his things yesterday afternoon with the intention of driving home today. He retired feeling first rate at 9 o'clock, but shortly thereafter his heart commenced to give him trouble.

For the past three years has been attending to business, and says Dr King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr King's New Discovery is guaranteed for coughs, colds and consumption. It doesn't fail. Trial bottles free at Henderson & Linn's drug store.

Restful Nights, Days Free From Torture.

Avoid the dangerous cathartic whoopsters to Hooper's Stomach Bitters. That this is an elegant cathartic and purgative is a fact more readily remedied than cathartics and other poisons used to expel the humors from the blood. In fact, this preparation has a salutary effect in being unlike them perfectly safe. With many persons certain predisposition to their various ailments, which render them liable to attacks after exposure to wet weather, to colds, or to a change of temperature, or to cold when the bowels are full. Such persons should take a warm glass or two of the Bitters as soon as possible after retiring, taking from the above-mentioned, as the superior purgative effectually nullifies the harmful influence. For the functional derangements which accompany indigestion, such as colic, spasm in the stomach, palpitation of the heart, indigestion, headache, the Bitters is also a most useful remedy. It is only necessary to administer twice in the day with persistance.
