A Good Story.

A good story is told of General J A Early, of confederate fame. It is this: The federals and confederates were about to engage in battle in Virginia, during the late war, Gen Early in command of the confederate side. Just about the time the firing commenced, the chaplain to Early's army, a devout man past middle life, promptly observed to the General that he had no further use for him at that time, but in case his services should be needed to comfort the dying, he could be found just over the hill, and Dr White and wife left for San Franthen departed in a gallop. General cisco last 'Tuesday. They have been Early, indignant at the chaplain's course, said to those around him: the summer. He expects to be here again next summer. He has been practicing dentistry, and if he returns again he will have a large practice, as
