The group at the end of the room had been broken up and Mrs. Callender came toward them. Stephanie rose and followed Mrs. Callender into the music room

Stacey watched her disappear through the door. What a fool he had been to let Stephanie Craven pass out of his life in those past days! He had not realized it before. He had been a miserable fool, but he would do better now. And then across yet have a chance." A mistake. It is his musings came the sound of a voice so Bert Johnson, editor of the Gazette, rich and full and sweet that he started to

"A pretty, fresh voice of average qual-ity!" So much for the keen penetration on which he had prided himself.

An eager crowd surrounded her when she ended her song, and Randall Stacey could not reach her just then. A tall, fair man was bending over her

with open admiration, and Stacey felt

vaguely annoyed with him. Mrs. Callender was standing near. He

turned to her. "Who is that fellow talking to Miss

Craven?" 'Miss Craven?' she inquired. "Where?"

"There," he returned, "by the piano. Don't you see?" "She! That isn't Miss Craven. She

was a year ago, but now she is Mrs. Vavasour, the authoress, and that is her husband, Archie Vavasour. He brought her out and gave her genius to the world."---Home Notes.

## A Reminder.

An appropriate and useful decoration for the front halls of suburban residences is a neatly designed and framed tablet bearing the words "Have you forgot your commutation ticket?" In some villages it is hung above and in some under the ever popular request for a blessing upon home, but it is not considered good form to let the newer legend conceal the old one entirely from sight. Still, it's sometimes done.-New York Times.

hugged myself as I thought of the mate rial I was gathering.

Besides the article for The Weekly, which article for The Psychological Journal.

I might also change the facts a little, have him crazed by strong drink and work It up for a temperance paper with the title "The Bottle and the Bridge; a True Story Founded on Facts." The possibilities were simply endless.

A good fire, some cold meat pie, bread and cheese and a glass of hot whisky punch soon loosened his tongue, and I had hun talking rationally enough. He had been a journalist for 12 years, he said, had worked on all the leading papers of Manobester and London and had barely mad enough to support himself and an invalid

When we parted, it was past 2 o'clock. and he had promised me to give up his fatal purpose. Reflecting that I had se-cured material from him for no end of good work, I gave way to my generous impulses and pressed a half sovereign into his hand. "Heaven bless you," he said. "You

have saved my life! Circumstances prevented me from work

ing up my material for several days, but my head was full of it all the time, and when I sat down at my desk deciding to write the first serial the plot was clearly outlined in my mind.

I wrote till late at night and then, accord ing to my custom, went out for a walk. My feet turned involuntarily toward the scene of my late adventure.

I walked out upon the bridge, and as I neared the middle I saw two persons en-ity so loosely construed as in Orot where I had been the humble means spot where I had been the number of saving a human life a few nights be-

As I drew nearer one of the figures seemed strangely familiar. A moment later I caught the words, "It is the last

favor I shall ever ask of any one." I turned and fled.

I still have on hand material for a serial for The Weekly and an article for The Psychological Journal and a dissertation upon the hardships of journalism.-Exchange.

## Ourselves and Others.

Pleasant thoughts and feelings of every kind that come to us are far too often buried in the oblivion of silence. The seed which if planted in the hearts and lives of those around us would bring forth rich harvests of happiness is carclessly thrown away. Such impressions should be regarded as a kind of trust for all those who can participate in them. If we have
