Chicago is sweltering, with no indications for cooler weather, and in the Ohio valley the hottest September weather on record prevails.

The Michigan crop report for September, issued by the secretary of state, says the wheat crop will be 25,000,000 bushels, the largest for five years.

The celebrated Angus-Craven will contest has been decided in San Francisco. The Fair heirs have won their case, and a new trial has been denied.

orously, and that the department has retreat. already decided upon a plan of action. A tremendous explosion occurred at the camp close by the Chinese arsenal of Kiangnan, near Shanghai. Forty bodies have been dug out of the debris.

Two fine Krupp guns, 1,900 new pattern single-fire and magazine rifles, with 120,000 rifle cartridges were destroyed. Probably the largest and finest tur-

qoise ever found on American soil has just been received in Denver from Southern Mexico. It weighs in the rough 176 karats, and it is estimated by competent experts that it will weigh fully 88 karats when cut and polished. It has the best color known, being a delicate sky blue, just a shade lighter than a bluebird's wing. This, with a number of smaller stones running from 40 to 10 karats, was taken from a newly discovered mine, the location of which is in Lincoln county, New Mexico. Absolutely no details of this discovery can be learned. The large stone is estimated to be worth \$6,000.

A dispatch from Madras says: A most serious accident has occurred at the Champion reef mines. Forty persons are known to have been killed.

The home of Thomas Hawkins, a farmer who lives near Greenwood, Cal., was destroyed by fire and his 5-yearold daughter perished in the flames.

Altogether 2,500,000 fish of the sockeye variety were caught off the mouth of the river during the season.

The Vienna correspondent of a London paper says that the imperial government of Austria will demand full satisfaction for injuries to Austro-Hungarian subjects killed by deputies recently at Latimer, Pa., and the severe punishment of those who are culpable in the affair, according to the sentence of the army has a capacity of 24 shots a min-American tribunal.

ATTEMPTED DIAZ' LIFE.

Arnuifo Arrayo, an Italian, Tried Stab the Mexican President.

St. Louis, Sept. 20 .- A special to the Post-Dispatch was made this morning to assassinate President Diaz by a supposed Italian named Arrayo. There NEWS OF THE WEEK was a general review of troops in the city today. Just before the review President Diaz, in company with the minister of war, was passing through a public park, when suddenly a foreigner sprang from behind a bush with a poinard and made a lunge at the president. The minister of war instantly seized the assailant, threw him to the ground and held him. The police came to the scene and placed the would-be assassin under arrest.

His Life the Penalty.

City of Mexico, Sept. 20 .- A most sensational ending to the attempt on the life of President Diaz occurred tonight, when Arnulfo Arrayo was Ivnched by a band of common people determined on revenge. It was an act unprece-

dented in the history of this country. At 10 o'clock a number of men forced their way into the municipal palace, ascended the stairway, overcame the guards and made their way to the office of the inspector-general and killed Ar-A Washington correspondent of a raye, whom they found there. GUATEMALA UPRISING

Determined Revolt Against

ARE LED BY INFLUENTIAL MEN

Rebel Forces Numbering About Three

says: Guatemala now faces an uprising far more serious than the one of a few months ago, telegraphs the Herald correspondent in the city of Guatemala. The present rebellion is led by men of great wealth and influence, and is slightly gaining in strength each day. Advices just received from Guatemala are to the effect that 3,000 rebels attacked the city of Quezaltenango en

garrison there consisted of less than 1,000 soldiers, but they fought valiant-The attack continued far into the night, when the rebels, despite their superior numbers, were repulsed. They vigorously renewed the attack at half past 9 o'clock on the morning of the 14th, and the advices state that the latest report is that the fighting still

cumstances to carry out what is per-The garrison still holds the city against the rebels, but the fall of the city is inevitable, unless the reinforcements now hurrying forward arrive within a few hours.

The present revolution is headed by General Prespero Morales, who, until Bank of England was prepared to hold a few months ago was minister of war in silver one-fifth of the bullion held in the cabinet, General Fues Barrios, a against its notes, says: brother-in-law of President Barries, and Feliciano Guitera. gans of British trade leaves no room

These three men were candidates for president to succeed Barries for the constitutional term from 1898 to 1901. Their antagonism to the president dates from the time he declared himself dictator of Guatemala and announced his intention of having a law passed in defiance of the constitution, permitting a president's election for a second term. This meant another term for Barrios, and met with solid opposition from the upper classes of Guatemala.

In view of this growing discontent, the three presidential candidates de eided to meet Barrios with bullets in stead of ballots. The first movement in the plot was to get possession of the barracks at San Marcos, where a large quantity of arms and ammunition was This was done by bibery, stored. nearly all the soldiers at San Marcos at that time joining the rebel move-

The rebel force is now 5,000, and is growing. This is made possible by the wealth and standing of General Morales and his chiefs and the great discontent in the financial circles of the country, growing out of the business depression there.

DAMAGE NOT GREAT.
