Plenty of Cattle-Buyers.

Stock-buyers have become quite numerous in Benton county. It seems that cattle-buyers are offering very good prices, but for the most part they wish to advance part of the purchase price and stipulate that the farmers hold the stock for them until June.

It is rarely they claim, that a bargain can be made on this basis. With sheep it is different. Three dollars and a half can be obtained for fairly good sheep, and the purchaser will receive them at once.

GROUND HOG DAY.

But It Does Not "Go" in Oregon—If So, Back for Six Weeks.

Daily Guard, February 2.

Today is ground hog day. According to tradition and folk-lore, the woodchuck, or as it is more familiarly known, the ground hog, emerges from its winter hole at noon on the 21st day of February when, if it can see its shadow, it goes back to its hole to sleep an additional six weeks.

The woodchuck would have seen his shadow if he inhabited this Weboot country and had come out at noon today, as we were blessed during the middle of the day with the finest of weather. But the woodchuck does not inhabit this section of the country, and the weather prophet will have to rely on the moon or some other sign by which to shape his weather prognostications.

household Gods.

The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods in every home. The household god of today is Dr. King's New Discovery. For consumption, coughs, colds and for all affections of the Throat, Chest and Lungs, it is invaluable. It has been tried for a quarter of a century and is guaranteed to cure, or money returned. No household should be without this good angel. It is pleasant to take and a safe and sure remedy for old and young. Free trial bottle at Henderson & Linn's drug store.

WOULD GO TO JAIL.—The city council of Portland has authorized the issuance of \$400,000 worth of 20-year bonds at 5 per cent to Eastern capitalists, to take up a like amount of floating warrants bearing 8 per cent interest. Mayor Penoyer says he will go to jail before signing them.
