The Shawneetown Horror.

Latest news from the flooded Illinois city, Shawneetown, is that there has been great loss of life, probably to exceed 100.

The area flooded is about one mile square. The levee broke without warning and the water of the raging Ohio river covered a large portion of the town to a depth of 20 feet. Two score bodies have been recovered from the flood, hundreds have been rescued, and other hundreds are yet in danger of their lives. Shawneeto an before munson, 27 years, and Donna W the flood was a town of about 2000 population.
