GO THROUGH YONIGHT.

Word has been received that Companies A B C and D of the S.cond Regiment, Oregon Volunteers will pass through Eugens en route to the Presidio, California, as the first section of the overland due here at 11:24 p m. It is possible however that it may be ahead or behind time so the military signal will be tapped on the fire bell one hour before the trains arrival. It has been suggested that people going to the train take Chinese lanterns attached to poles, as it will assist in making a befitting pagrant,

The train will stop here only long enough to take aboard the Chaplain, W S Gilbert, and people are cautioned to not enter the cars for the purpose of greeting the boys.

The official roster of Company C, Second Regiment Oregon Volunteers as it is now mustered into service is given below. Exclusive of the commissioned officers, the company contains 81 men. Three members of the hospital corps were attached to the company but their names are not given as the GUARD reporter failed to secure them. The GUARD is indebted to Adjutant J M Williams for the roster. Mr Williams, who returned from Portland on last night's overland, says that Company C is receiving considerable praise from the regimental officers, and that it is deserved in every particular. Captain Moon has a full company and did not have to go out of his own town to recruit it and beside- that had several men to transfer to other companies as the following lines will show:

Enlisted in Co B; Baber, W H; Coates, J C; Dote, Pearl; Drew, Otis; Drew, J F; Gray C E; Parks, Geo; Withrow, F.

Enlisted in Co F; Elbert Brown. WS Moon, Capt. RS HUSTON, 1st Lieut. F W HAYNES, 2d Lieut.
