It is impossible to state the exact number of soldiers' graves, as no record has been made of them for several years. When the last record was made there were about 300,000 sleeping in the national cometeries and probably 75,000.

The scene of many important battles can be obtained. It is a most impressive place to visit at any time of the year. The other cometeries in North Carolina are Rabelleigh, New Berne and Wilmington, About 7,000 are buried in these three.

Almost at the southern tip of South tional cometeries and probably 75,000 are buried in these three.

Almost at the southern tip of South country. The accompanying map gives the figures of the last record made. Of course, the number of graves has increased since then. The returns have become course, the number of graves has increased since then. The veterans have become fewer and fewer. They have not failen as rapidly as they were mowed down before the death-dealing fire of Gettysburg, nor as they fell in the awful charges of Bull Run, but their ranks have been thinged by the graves and for each one of the graves. Hundreds the transparence of the graves and for each one of the graves. Hundreds the same than the graves are found to some who decorate its graves. Hundreds the graves are found to some who decorate its graves. Hundreds the graves are found to some who decorate its graves. Hundreds the graves are found to some who decorate its graves. Hundreds the graves are found to some of the graves are found to some of the graves are found to some of the graves.

ltary post, but by far the larger ones area and filled with tropical plants and dreamy located in the vicinity of the big battle-fields.
