A Compliment for Veatch.

It is rather late to publish complimentary notices of candidates, but the following from the Myrtle Point, Coos county enterprise, a strong republican paper, is a fair index of the campaigo made by Mr Veatch:

' Hon R M Ventch, union candidate for congress, delivered a very interest-ing and able address from a Union point of view, at this place Monday evening, all parties being well repre-sented in the audience. Mr Veatch made a favorable impression on our people, his address being free from ravid criticisms and abuse of the op-posing party. He will poll a large vote in this county."

Louds of Sagebrush.

An odd sight on Front street yesterday was a big wagon load of sagebrush piled up like hay, says the Baker City Democrat. In some timberless sections to our sister counties of Harney and Malheur, where tall timber is 50 miles or more distant from stockranches, buge stacks of this sagebrush are harvested and piled up for household wood. This fuel makes such an extremely hot fire that almost any young sparking couple, if telling the old story as they sit before the old fashloved fireplace, would gladly move back wards as well as enuggle nearer one another.

Agricultural College Student Drowned

Albany Democrat June 8 .- William E Jennings, a college student attending the agricultural college, from Zena, Polk county, was drowned late yesterday evening. He and a companion went bathing in Oak creek, a half mile west of Cauthorn ball. Jennings got beyond his depth and sank out of sight. His body was recovered after he had been in the water 45 minutes. Neither of the boys could swim.
