CHRISTMAS

How the Day Was Observed in Eugene.

A QUIET BUT HAPPY DAY.

Daily Guard, Dec 26. Christmas, 1898, has passed. To Eugene people the memory of the day is marked by its quietness, and by the happiness and contentment apparent.

THE CHRISTMAS.

As Christmas fell on Sunday this year the various churches and Sunday schools commenced their regular observance of the day as early as Friday evening.

YESTERDAY THE EXERCISES AT THE CHURCHES.

Yesterday the exercises at the churches were in keeping with a fitting observance of the day of birth of the Christ. Specially prepared sermons, excellent music, evergreen festooned auditoriums, large and appreciative audiences all marked the exercises.

HOME LIFE.

In the home life of the city the utmost happiness was apparent. From the amount of shopping that has been done in the past two weeks it is evident that more and substantial gifts have been tendered friends, relatives and loved ones this year than ever before.

COMPANY DANCE.

Saturday evening company C, Third regiment, O. N. G., gave a Christmas dance at Armory Hall.

KILLED BY A COMPANION.

Pendleton, Or., Dec 26.—Edwin Baker, the 12-year-old son of Postmaster M. A. Baker, of Weston, was accidentally shot and killed last evening by the 12-year-old son of George Marsh.

DOUBTFUL CLAIMS.

These are duly certified to as having been members of the National Guard. In addition to them is a list of men certified to by the adjutant-general as having been rejected by the examining surgeons, who reported nearly all of them as enrolled in companies of the National Guard, but whose names are not on the muster rolls or enlistment papers of his office.

ATTEMPTED JAIL ESCAPE.

Frank Lawrence Smith, who was convicted at the Douglas county April term of court of the murder of Peter Nelson near Central Point, and who was sentenced to be hanged on the 10th of June last, and who has since been in jail, assisted by Martin Kelley made an attempt to escape from the jail at Roseburg last week.

COMPLIMENTS A FAITHFUL OFFICER.

In an article on state officials, their deputies and their successors when the newly elected officers take charge of the first of the year, the Salem Journal has this to say about the retiring Secretary of State:

"Mr. Kincaid is a man past 60 years of age and has made his four years in office a continuous fight for the plain common people. He has been unrelenting in his fight and has made some enemies but many friends among the country people and the substantial business men of Oregon. His office is the biggest and most important of all the state offices. He is not only Secretary of State but also State Auditor, State Insurance Commissioner, State Commissioner of Building and Loan Associations and Trustee of the State institutions, and member of half a dozen Boards and Commissions. The office is really too big an office. Mr. Kincaid has tried hard to attend to it correctly. He works every night till 11 or 12 o'clock and is at his desk by 8 in the morning."

SANTA CLAUS IN MANILA

Steamer St Paul Brought Joy to the Volunteers.

MANY CHRISTMAS PACKAGES.

San Francisco Chronicle, Dec 23. The following cable, sent by the captain of the St Paul, was received here yesterday by the Alaska Commercial Company, announcing the arrival of the steamer at her destination: "Arrived, all well, Thursday a. m. A pleasant voyage. We wish you a Merry Christmas and a Happy New Year."

THE BARKER FORGER ALSO.

Daily Guard, Dec 26. At the preliminary examination held at Cottage Grove late Saturday afternoon, Claude McHargue, the forger, through his attorney, J. S. Medley, waived examination and Justice Vaughan held him in \$500 bonds to await his appearance before the next grand jury.

MONEY FOR VOLUNTEERS.

Sum Each Rejected Man is Entitled to. Adjutant-General Tuttle has filed with the secretary of state a list of the National Guardsmen who are entitled to pay for time under the law passed by the legislature at the special session.

THE JAPS HOUSE IN THE S. P. YARDS ROBBED.

Daily Guard, Dec 27. Yesterday the Japanese section house at the Southern Pacific yards in this city was entered and robbed. The work was probably done by the hobo element.

THE THIEVES CAPTURED.

Marshal Stiles at once went to work on the case, and in a short time "spotted" two men. The men left Eugene walking on the railroad, carrying two flour sacks and a grain sack well filled with something.

DOOMED RIVER STEAMERS.

SAN FRANCISCO, Dec 26.—A special from Dawson City dated Nov 19, says: Reports from all creeks in the vicinity of Dawson indicate that the winter's product of gold will exceed that of last year by more than 100 per cent.

DR. FINLEY GOES TO MEXICO.

Succeeded by Dr M. L. York, Late of Kansas City.

DR. J. J. FINLEY, THE WELL KNOWN DENTIST, LEFT SATURDAY NIGHT FOR THE CITY OF MEXICO, IN COMPANY WITH DR. W. W. CONTRIS OF SALEM.

The two gentlemen go with the expectation of locating for the practice of their profession. Dr. Finley, during his residence here, established a most excellent practice and had many friends who wish him unbounded success.

DR. FINLEY SOLD HIS OFFICE IN THIS CITY TO DR. M. L. YORK, LATE OF KANSAS CITY, MO., WHO HAS ALREADY TAKEN CHARGE.

Dr. York comes with diplomas from foremost dental colleges and with the best of recommendations. Dr. York and his wife have taken rooms in the Dunn block, adjacent to his office.

THE JAPS HOUSE IN THE S. P. YARDS ROBBED.

Daily Guard, Dec 27. Yesterday the Japanese section house at the Southern Pacific yards in this city was entered and robbed. The work was probably done by the hobo element.

The Japs left at 7 o'clock in the morning to go to their work and did not discover the theft until their return at 5 o'clock in the evening.

The things missing are two suits, two hats, two pair of shoes, two overcoats, an alarm clock and \$4 in money.

THE THIEVES CAPTURED.

Marshal Stiles at once went to work on the case, and in a short time "spotted" two men. The men left Eugene walking on the railroad, carrying two flour sacks and a grain sack well filled with something.

The men traced them to Fairmount, then came back to town and wired to every station between here and Roseburg to look out.

About 2 o'clock this afternoon Mr. Stiles felt very much gratified to receive a telephone message from Cottage Grove saying the men had been captured. The message also said the men carried in the sacks all the articles stolen from the Japs house.

Deputy Attorney Harris, who was in Cottage Grove today, accompanied by a constable from that place, are bringing the men down on the freight train, and they will be given a preliminary examination here.

Marshal Stiles deserves great credit for the prompt action taken by him, and the quick apprehension of the criminals.

LATER.

Constables McFarland and Veatch arrived on the freight at 4:15 with the prisoners and they were placed in the county jail pending examination.

Sheriff Withers now has seven men confined there, being a larger number than he had accommodations for.

ATTEMPTED JAIL ESCAPE.

Frank Lawrence Smith, who was convicted at the Douglas county April term of court of the murder of Peter Nelson near Central Point, and who was sentenced to be hanged on the 10th of June last, and who has since been in jail, assisted by Martin Kelley made an attempt to escape from the jail at Roseburg last week.

The officers have been allowing the prisoners to exercise around in the jail outside of the cells and corridor, and during the day, on Monday, Smith and Kelley got on top of the cells and tore off the corrugated ceiling and cut a hole through the sheeting which supports the tin covering.

Mrs. Charlie Adams, who came to Lakeview with her husband and four children from Rogue river several months ago, has left her family and taken up with a young man she liked better, says the Lakeview Examiner.

She informed her husband that she did not want to be bothered any more with children. He will likely take them back to Rogue river, where some of his folks live.
