citizens in the territories." Judge him, and there is no appeal, Edmunds says that "congress cannot therefore lawfully prevent the migration of any citizen residing in the Philippines to our states any more than It can lawfully prevent the migration of the citizens of the Philippines."

What the Philippines will do to us in cost, loss of lives, the introduction of militarism, etc. Judge Edmunds considers a serious aspect of the question. He asserts the complete power of the senate over the treaty, to amend or reject, and suggests that it may so amend it as to provide substantially, as the scheme has been as to Cuba, that the people of those islands should given up with the island. be left to govern themselves."
