Another Ceremony Needed.

The following heartrendering item is going the rounds of the press. We do not believe it, never the less such a thing might happen.

"A Benton county justice of the peace was called away from home the 2 85 other day, and anticipating a rush of business in the Justice line appointed 52 00 deputy justice, with full power to act in all capacities. A young couple who desired to be made one come slong and the deputy justice performed the ceremony in due form. The Benton county legal fraternity are having considerable sport over the incident, inasmuch as a justice of the peace has no authority to appoint deputies. All trace has been lost of the young couple, but we suppose they are happy."
