He Tried to Make Sheriff Withers Throw Up His Hands.

WAS FOILED

H H Biddle has been appointed His Conversion Proved to Be Hypocritical.

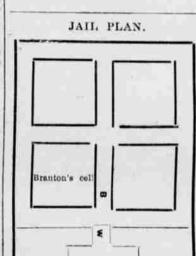

THE ALLEGED GUN.

Daily Guard March 1 in the county jail had a queer experience, or rather Sheriff Withers did, known fact Branton has lately claimed draw his plea. The opinion says: to have been converted, but this set shows him to still be a deep dyed vil-

Sheriff Withers, as is his usual cusongress, the house having passed the let out Mr Pratt, the death watch, to diciment against all." It is therefore compound for spraying purposes, in go after the breakfast for the prisoners. He opened the jail of Branton's cell and let him out into the corridor between the rows of steel cells 35c, 45c, 75c and so on, at Barker Gun, to exercise and to wash. He kept the by the court's refusal to permit him to door to the corridor doubly locked. Mr Pruning knives, hand pruners, long Withers then commenced reading his and short handle pruners, pruning was, and hedge shears, at Griffin mail which he had received at the postoffice, sitting in a chair.

All at once Branton exclaimed:

"You sre a Christian aint you Mr Withere?"

("Branton cell" is where he is confined: "B s for Branton in the coridor: "W" is where the sheriff was sitting in his chair.)

Mr Withers answered, "yes." "If you were in here wouldn't you get out if it was possible,"

The sheriff, good naturedly, said "yes," hardly looking up.

Then Branton stepped back into the corridor where it was a little dark and holding in his hand what resembled a navy six shooter, said loudly:

"Throw up your hands." Mr Withers was amazed and thought Branton had by some means procured a gun, but kept cool and said:

"Oh, come off." In a few seconds Branton con-

cluded his ruse had been discovered and laughed, and claimed "he meant

However, he stated that if he had been made, it was sought to counteract had a real gun he would have done some real shooting.

It was Branton's idea to make the sheriff throw up his hands then he

THE OPINION

Justice Moore Gives His Opinion in the It Relates to Hops, Fruit Trees, Eight Thousand Acres of Land in Branton Case.

IT IS SHORT.

SALEM, Feb 27 .- The following Judge Hamilton of the lo er court was written by Justice M ore:

Branton, in his appeal, assigned as islature: errors the action of the trial court in mur to the indictment; in refusing to the state of Oregon: tions. The alleged errors were the refendant's counsel that under the form cuttings or prunings are made,

"Since a joint indictment is equiva- sioner of the district may direct. lent to a several indictment against withdraw his plea."

opinion says:

"Whether the boundary line bety), or along the summit of the Cascade of any kind into the state of Oregon. range of mountains, the crime was "Sec. 6. Every person who packs of the action."

court erred in refusing to acquit the tables, is guilty of a misdemeanor.

known the intention of the principal not less than \$25 nor more than \$100. long before the crime was committed. acquittal on this ground."

Branton's counsel, and gave other, in courts of this state. modified form, which leads the supreme court to say:

"We think that such portions of given in the general charge."

It was alleged that the court erred in giving instructions to the jury with regard to insanity, as, according to the defense, no such plea was interposed.

"In the case at bar." the opinion says, 'defendant admitted, when on the stand as a witness, that he was present when Linn was shot, and that he helped Green procure fuel to burn his body. After these admissions had their very damaging effect by introducing testimony showing defendant's tendency to mental alienation, resulting from a pre-existing cause, and such testimony having been introducverdict, and the court having dischargcommitted in giving the instruction complained of, and hence the judgment

SCHOOL SAVINGS RANK.

Our Public School.

Through the efforts of Mrs Wilson of the Christian Temperance Union, and the co-operation of our school board and city superintendent, Eugene may soon see the School Savings Bank sys tem introduced inty her public schools.

This institution has long since passed beyond the experimental stage many years in France, Germany, England, Belgium, Denmark and Brazil. It is also in operation in Pennsylvania, New York, Massachusetts, Ohio, Caliifornia and several other states.

Last April it was introduced into the city schools of Tacoma, and its success school directors, as follows: "We have had the system in opera-

tion not quite a year, and have found unprofitable milkers. We give a samit very satisfactory in every way. It children now have on hand over five thousand (\$5,000) dollars. They have committed within the latter county, or prepares for shipment to any point deposited in all considerably more than and hence the court had jurisdiction without the state, or who delivers or that, probably seven or eight thousand causes to be delivered to any express but during the holidays considerable It was contended that no testimony agent or railroad agent, or other per- was withdrawn. Our deposits average was introduced at the trial tending to son, or to any transportation company about \$225 per week; we have 6,000 prove Branton's participation in the or corporation for shipment without school children and 2,000 depositors,

Green; and he, being a confessed ac- fresh, cured or dried, that is infected be to consider the children's money as compiles, and his evidence not having with insects, pests or diseases injurious a "trust fund" not subject to the ordibeen corroborated in any manner, the to trees, shrubs, plants, fruits or vege- nary risks taken by most bank depositors. It has often been said that our national life is threatened by the flood "Branton's own admissions," the poration violating any of the provist of pauperism from Europe. This Whole number of cows opinion says, "corroborate the testimo- lons of this act shall be deemed guilty of savings bank system is of the greatest Pounds of butter...... class with the honest pride of independent ownership of property. On the other hand, Ian Maclaren has written of Americans as being an improvident nation of spendthrifts. If this tendency be true our own young Americans can learn a valuable lesson of provident thrift while using the Schools Savings Bank.

The richest beggar in the world lives in Russia. He was born without feet or arms, and his physical defects have brought him great sympathy and much cash. Sympathy would be better bestowed if it were given to the army of industrious men in this country who overwork themselves and break down their health. These men lose their appetites, and their stomachs "go back on them." Their nerves are shattered and they cannot sleep. The quickest way for these men to recover their health is to take Hostetter's Stomach Bitters, which is intended This remedy is so well known that it
