#### TRAVELER INJURED

L Richmond of San Francisco. Jammed up by a Freight Train.

Daily Guard, March 28.

Yesterday afternoon B L Richmond, traveler for Davis & Sons of San Francisco, met with an accident on a Southern Pacific freight train at the "Divide," about 30 miles south of Eugene. The he per or front engine had been uncoupled and ran into a switch. The brakeman who opened the switch failed to close the same before signaling the train to advance. When but a few feet distant, the eagineer saw the open switch, applied the air and swidenty stopped. Mr Richmond, who was in the caboose was thrown against the side of the cur, and to the floor. The scintic to two of the left leg was injured and one wrist sprained. He was brought to Eugene, and attended to by Dr Kuykendall, railroad surgeon. Mr Richtonial went to Portland today.

At the time the accident occurred the train was running only three or four miles an hour, having barely started Dr Kuykendall reports the injuries not severe and says the patient will soon be all right.
