## COMING HOME.

### Oregon Regiment Will Leave For America This Week.

L. Kelsey, Corvallis, Killed Saturday.

Special to the Guard.

MANILA, June 5.—The Second Oregon regiment will depart this week for home. L. Kelsey, of Corvallis, was among those killed in the fight Saturday.

[The Oregon boys have been in Manila for over a week resting preparatory to the home journey, but entered the engagement on the peninsula south of the city, made a charge across a swampy rice field, said to be the most brilliant attack of the entire war on the islands. Thus their last act will endear them more and more to our people, and to their many brave companions who remain.—Ed.]

### OREGONS COMING BACK.

Will Be Mustered Out at Portland.

Manila, June 6.—The Second Oregon is being brought back to Manila to prepare to embark on the transports for the journey home. The regiment is expected to leave the last of this week, and will go direct to Portland, where it will be mustered out.

### Real Estate Transactions.

Lila Coon Wink and H L Wink to Rose Easley, interest in 160 acres in T 16 s r 5 e; \$600.

A H Fisk and J E Hale to F L Chambers, 80 acres in T 17 s r 1 e; \$500. Rose Easley to John J Rupp, 471 37 acres in T 16 s r 2, 5 and 6 E; \$5,000.

Clarence Clark and wife John J Rupp, 160 acres in T 16 s r 5 e; \$2,000.

Wm Houston to Mary J Houston, lots 8 and 9, block 53, Junction City; \$1.

J N Dennis guardian of Geo C Taylor, insane, to W H Beck, 20 acres in T 16 s r 5 w; \$100.

James Buoy to Nancy M Ford, 56.30 acres in T 19 s r 3 w; also lots 4 and 7, block 2, Creswell; \$1500.

Ella and J W Baker to Custis Masterson, one-seventh of 160 acres being a part of F N Aubrey donation claim; \$400.

### RAILWAY CONDUCTORS

ANNUAL EXCURSION TO SALEM FROM ALL VALLEY POINTS SUNDAY, JUNE 11.

The annual excursion given by the Order of Railway Conductors will be held from Portland and all south valley points to Salem Sunday, June 11. The rate, \$1 round trip, has made these excursions very popular, and thousands will attend.

The conductors take good care of their guests and this year will provide more amusements than ever before at the state fair grounds.

A letter from Conductor C R Miller, manager of the excursion, states among other attractions a balloon ascension.

Professor Eriston in a balloon ascension.

Brown's Concert Orchestra, of Portland, for the grand stand.

A colored cake walk, open to all colored folks—6 couples already entered.

The North Star Quartette in late noon songs.

The Great Melvern Bros in acrobatic acts.

A handsome prize for the best trick-bicycle rider—3 now entered.

A baseball game, and many other amusements.

Among bands to attend are two from Portland, one each from Independence, Albany, Eugene and Silverton.

Tickets are on sale in this city at depot or J Goldsmith's cigar store.

Medford Mail: "T N Segar, of Eugene, is in Medford this week. Mr Segar is a fruit buyer and is here looking through the different orchards of the valley getting some idea of the prospective fruit crop. He reports that as far as he has observed, no material damage has been inflicted by late frosts and that prospects are good for a heavy fruit crop. He also thinks that Douglas county will have a good fruit crop."

Republic, Wash, the big mining town burned up Saturday. The fire started by the explosion of a gasoline stove in the Siegel building on Clark Avenue, where some men were cooking breakfast. It spread on the west side of the street to Brown's restaurant, and south to the Republic Trading Company's store. On the west side two entire blocks were destroyed.

Voters of Letson refused to pay for more school buildings by a majority of 105 to 10.

### HOP PARAGRAPHS.

A statement by Valentine Loewi regarding the Future Crop.

The last issue of the New York Price-Current has the following report by Valentine Loewi, the well-known brokers.

Receipts for week.....1,000  
Receipts from Sept 1.....144,726  
Receipts same time last year.....125,453  
Exports to Europe for week.....138  
Exports from Sept 1.....103,508  
Exports same time last year.....85,528  
Imports for week.....10  
Imports from Sept 1.....2,793  
Imports same time last year.....5,705

Cold weather has retarded the growth of the vine in New York state as well as on the Pacific coast, and nearly all the yards are quite backward for the season of the year. In this state many of the vines are old and not having had proper cultivation of recent years they do not show strong, vigorous growth such as newer and well cultivated yards ought to. There has been some business in the interior lately in range of 8@11 cents and a few remaining are now held with a little more confidence. Some of the Oregon papers fear shortage of quassa chips, which are used largely in the mixtures for spraying hop vines. The local market has ruled very quiet, but if anything the feeling is just a shade firmer. Possibly a few more brewers have been interested of late and some business has transpired. Holders recognize the fact that it demand should show much improvement the market would advance at once, as the holdings here are very moderate and there are but few lots in the interior to fall back on. Brewers are constantly reducing their stocks, and the whole situation seems to be brightening somewhat. Such sales as are making are at about former prices, and are fairly covered by the quotations given.

### JUNCTION NEWS.

Freight for Steamer Eugene—Rev. W. M. Houston Quite Low.

Special to the GUARD.

JUNCTION CITY, June 5.—Messrs. Bushnell & McMahon have finished hauling 25 tons of prunes to Harrisburg to be shipped to Portland on the steamer City of Eugene. The Southern Pacific's rate to Portland from Junction City is 30 cents per hundred pounds, and the rate by steamer 20 cents. Just as soon as the S P thought the boat was going to get the business they made a 25 cent rate to defeat the boat. The boat then went them one better and the S P made a drop to 17 cents, nearly one-half their tariff rate. Messrs Bushnell & McMahon will save about \$50 by hauling the freight to Harrisburg for river shipment, at the same time assisting the company which lowered the freight rate. Junction shippers are very favorable to the steamer company, and will give it material assistance.

### Goshen Items.

June 6, '99.

The picnic June 10, next Saturday. Mrs Wm Lockard visited Creswell Sunday.

Miss Millican, of Eugene, was a guest at her brother's over Sunday.

Mrs Wm Dillard has been quite sick lately, but is now reported as somewhat better.

Jasper Schaul and father-in-law, Mr Logan recently from the east came down from Creswell Sunday.

The unveiling ceremony of the Woodmen at Pleasant Hill, Sunday afternoon was attended by quite a number from here.

Mrs Thos Keeney, of Seattle, and sister Miss Keziah Williams, of Tacoma, are guests at the home of Mr Keeney's brothers, J B and B F Keeney of this place.

Some one has added much to the appearance of the U B church by removing the old fence posts that stood so long in front of the same. Other and similar improvements might be made in the town.

Everything now betokens one of the grandest picnics here Saturday under the auspices of the Knights of the Maccoes that has been known in the county. Come and see. Z.

### What Did It?

Myrtle Point Enterprise: Mr Simons, one of Myrtle Point-Roseburg mail carriers, reports a phenomenon in the vicinity of Remote. Some force or other has cut a furrow three or four feet wide and about as deep for a distance of about a quarter of a mile along the hill-side. Where logs lay on the ground in its path they were cut in two, pushed aside and large trees were split and divided and left standing with part of the roots on either side of the furrow. It has occurred just recently, but what caused it is a mystery.

Any person can go on the Native Son's Excursion, whether he belongs to the organization or not. Tickets, \$3. Buy your ticket early as only 60 will be sold.

### CHAPTER OF CASUALTIES

Accidents and Fatalities at an Illinois Funeral.

Chicago, June 5.—A special to the Chronicle from Arthur, Ill, says: One boy drowned, a little girl fatally injured beneath the hoofs of horses, two women and a man brought to death's door by the shocks of the accidents, all incidents accompanying the funeral of a man who met with sudden death, made Sunday a remarkable one in this city.

The strange chain of disaster began when the local G. A. R. post buried T. P. Weis, who was asphyxiated by gas at a hotel in Chicago last Wednesday night. While the ceremony was in progress at the cemetery, news reached Gus Baker that his 13-year-old son had just been drowned while swimming. The shock prostrated Mr Baker, and he had to be taken home in a carriage. When the news was broken to his wife, she went frantic and became unconscious. Both are in a precarious condition.

While the funeral procession was returning from the cemetery one of the carriages ran over Mrs. William Sullivan's little 2-year-old daughter, mangled her in a horrible manner. Miss Ola Clark, a witness to the latter accident, fainted and was carried to the nearest house, where she lay for four hours before recovering sufficiently to be removed to her home.

### TUESDAY JUNE 6

Hops.—Editorial in Salem Statesman: "It is said that 'reliable growers' can now contract their hops, if they want to, at 12 cents a pound and better. By 'reliable growers' is meant those who will make deliveries at the contract prices no matter what prices they might have realized had they refused to bind themselves. This is evidence that the dealers in the East and in Europe think hops are going to be high. It is a pleasant outlook. But the Statesman insists that it would be better for all growers if none of them contracted any hops at all, this year, and any and all years. Let them go to the dealers and consumers for what their hops are really worth for cash in hand at the time of baling."

GOOD WORK.—Street Commissioner Scott is cleaning up alleys in the business part of town. In this connection it may be well to call attention to the fact that some business properties have not been connected with the sewer as required by law. We are informed that in more than one instance waste water is discharged into cellars. This is in violation of law, besides being contrary to all recognized sanitary methods of disposing of water that has been used.

DIVORCE SUIT.—Ella McMahon has instituted a divorce suit against her husband, John McMahon in the circuit court of Lane county. The couple were married in Lane county August 24, 1896. The following children are the issue of said marriage: Charlie 12 years, Thomas 10 years, Willie 8 years, Ethel 7 years and Leo 5 years. The complaint alleges desertion and asks for the care and custody of the children.

CHILDREN'S DAY.—The Christian church was filled Sunday evening to hear the Children's Day exercises given by the Sunday school, under the direction of Mrs Essen, superintendent, and Miss Ruby Hendricks. The audience showed its appreciation of the excellent program in various ways. The collection, including the amounts raised by the children, amounted to almost twenty dollars.

OFFICERS ELECTED.—The U of O Athletic Club has elected officers for 1899-00 as follows: President, H. D. Angel, '00; vice president, C. M. Bishop, '02; secretary, C. N. McArthur, '01; treasurer, W. L. Whittlesey, '01; board of managers, L. L. Goodrich, '01; R. S. Smith, '01; J. B. Winstanley, '02.

TEETH EXTRACTED.—Sheriff Withers this forenoon had seventeen teeth extracted at one sitting. He took chloroform, and when he commenced coming out from under it imagined himself a fighter and it took five persons and a doctor to subdue him. After this he was very sick, but is better now.

SUPREME COURT ORDER.—Made yesterday: Jennie Smitson respondent vs Southern Pacific Company, appellant; ordered that A. C. Woodcock be substituted for H. D. Norton as attorney for respondent.

BORN.—Sunday, June 4, 1899 to Mr and Mrs Frank Wetherbee a 9-pound daughter. No L.

DAILY GUARD, JUNE 5

DIVINITY SCHOOL.—At the First Christian church at 11 o'clock yesterday morning Dean Sanderson of the Divinity school delivered the baccalaureate sermon, the school year having closed. It was an able address and was listened to by a large audience.

### INDIAN WAR VETERANS.

Delegates Elected to the State Encampment, Etc.

Daily Guard, June 5

Those present at the meeting of the Indian War Veterans last Saturday afternoon were: J F Mulkey, J A Burns, A I Nicklin, Isaac Barclay, Robt Pattison, Jesse Coz, N Felder-vert, J S Montgomery, P C Noland, B F Bowers, Milo Taylor, Barney Wood, C Stevenson, Jasper Eddy, L B Rowland and J T Witter.

Capt P C Noland was elected chairman and J F Anis secretary.

An informal discussion was entered into by J F Mulkey, L B Rowland and A I Nicklin and Milo Taylor.

The following delegates were elected to the State Encampment, which convenes in Portland June 24th: Captain P C Noland, Dr A I Nicklin and L B Rowland.

Capt P C Noland was elected temporary Commander and J F Anis, Secretary. It was resolved to reorganize the local camp after the meeting of State Encampment.

On motion adjourned to meet on June 24, 1899, at 1 p m, in the county court room.

### Died.

Daily Guard, June 6

Rev. W. M. Houston, after a long sickness died at his home in Junction City, Oregon, Tuesday morning, June 6, 1899, at 8:20 o'clock, aged 68 years, 6 months and 3 days.

He was a Cumberland Presbyterian minister, and was respected by all.

He leaves a wife and several children to mourn his loss. His sons are Wm. L. and C. P. of Junction, Conductor D. L. of Portland, and Bert of Roseburg.

The funeral services will be held at the Cumberland Presbyterian church, in Junction, at 8 o'clock Wednesday forenoon by Rev. McFarland. Interment in the Oak Hill cemetery, five miles west of Eugene. Friends of the family invited.

### A Road Maker.

Roseburg Review: "About a year ago the county of Lane made the purchase of a rock crusher. The city of Eugene utilized the work of the machine in improving a short stretch of street to test the efficiency of the crushed rock. It is noted in the newspaper reports from the city during the past week that the mayor of Eugene has been authorized by the council to visit San Francisco and purchase a rock crusher and an engine to operate it with for the exclusive use of the city. It is evident from this that the council after a year's experiment with the crushed rock has found it very satisfactory."

The city of Eugene and Lane county have demonstrated beyond question that crushed rock is as cheap, and incomparably superior to the loose gravel with which Lane county roads were formerly built. The crushed rock is as much better than gravel as gravel is better than dirt. The crushed rock stays where it is put, and wears smooth as a floor.

### Still Fighting.

Manila, June 4.—The Oregon boys are still in the ranks, driving the rebels out of Morong. There was a running battle for several hours today. Oregon's lost three men killed and six wounded, names not given.

WARRANTS CALLED.—County Treasurer Patterson makes a new call in today's GUARD for county warrants, to the amount of \$22,000. Call and get your money is his request.

DAILY GUARD, JUNE 6

DIED.—Mack Sommerville received the sad news that his mother, Aunt Polly Sommerville, died at Harrisburg at noon today, and at once went down accompanied by his wife. Aunt Polly had been ill for some time and her death was not unexpected. She was 78 years old, and leaves a number of children.

ST. LOUIS, 96 in shade, at which point it remained for several hours. Two cases of heat prostration.

CHICAGO, third day of extreme heat, 90 degrees. A number of horses killed by heat.

CINCINNATI, 93. Three cases of sunstroke reported.

## BIG DAMAGE SUIT

Sophia E. McKinney Wants \$10,250 for Injuries on Southern Pacific.

### ANOTHER SUIT FOR SIMILAR AMOUNT.

The Roseburg Review in its issue of June 5, publishes the following:

"Through her attorneys, A C Woodcock and J E Young, Mrs Sophia E McKinney has sued the Southern Pacific R R Co for \$10,250 damages for injuries sustained while traveling on the cars. It seems that Mrs McKinney on March 27, 1899, purchased a ticket at Yoncalla for Cottage Grove, paying 91 cents therefor.

"When near the divide, the freight train on which she was riding was stopped so suddenly that she was thrown violently upon the floor of the car (caboose) so the complaint alleges, sustaining injuries as follows: Two broken ribs on the right side, spinal column and spinal cord were wrenched, sprained and injured, breast bruised, and that other bruises and injuries were sustained by plaintiff, causing her to become sick and lame, and that said injuries are permanent. That said accident was due to the carelessness and negligence of the defendant.

"In the same accident a traveling man was injured and he has brought suit against the railroad company in Portland for \$11,000."

### FOR A HOSE RACE.

Fire Department Wants such an Attraction July 4.

The Eugene Fire Department would like to have a hose race among the list of attractions in this city on the Fourth. At the regular meeting of the board of delegates Saturday night it was decided to vote \$5 from department funds for this purpose, understanding that not less than three teams to enter, entrance fee being \$5. This would make the purse \$20, and the fire boys would expect the general committee to swell the amount to \$50 at least, if not \$75.

Such an attraction would be a big drawing card.

### Hot Wave East.

Many prostrations from heat occurred throughout the East yesterday. New York, 97 in shade; hottest day of the season.

St. Louis, 96 in shade, at which point it remained for several hours. Two cases of heat prostration.

Chicago, third day of extreme heat, 90 degrees. A number of horses killed by heat.

Cincinnati, 93. Three cases of sunstroke reported.

## OUT AT LAST

Comes the long lost sun, and at THE BIG STORE you will find the things you need to comfortably enjoy the much needed change. We here to sell goods, and can save money for you. Seeing is believing.
