FOURTH OF JULY

General Committee Working For a Grand Celebration.

GODDESS OF LIBERTY CONTEST.

Daily Guard, June 8
The Committee of Arrangements to celebrate the coming Fourth in a becoming manner has a splendid program in contemplation, and it is now well advanced toward completion.
The committee was in session last evening, and finished up considerable detail matter; elected S. M. Yoran president, and three vice-presidents (residents of Eugene) of the day: J. M. Shelley, E. O. Potter and Prof. McAllister; also twelve other vice-presidents, from different parts of the county, whose names will be mentioned in a day or two.
The committee is looking forward to a great patriotic demonstration. They expect the Declaration of Independence to be read with new zeal and energy, and a great oration. The committee will not overlook the accustomed pleasures and gaieties of an American Fourth of July. Every man and woman in Eugene should at once begin to talk the coming celebration, and get everybody enthused, and attract the attention of the general public throughout the county to the glorious day in store for the people on the Fourth.
THE GODDESS OF LIBERTY.
The committee decided to select the Goddess of Liberty by popular vote, and appointed a special committee consisting of G. W. Griffin, D. P. Hall and H. W. Rowland to attend to the matter.
The special committee has taken the matter in hand and indications point to a lively interest in the contest. Any young lady in Lane county is eligible to the contest.
Polling places will be at the drug stores of Wilkins & Linn, W. L. DeLano, Vincent & Co., and A. Yerington, and the polls will be opened some time tomorrow. A small sum, not yet decided upon, will be charged for each vote, and the amount thus raised will be used in making gorgeous the cavalcade of the fortunate goddess.
It has already been said that pupils of the Geary and Central schools and University of this city, will commit to popular favorites from their schools for the place of honor, while a number of young ladies from the town at large will be supported by their friends. In addition to this, Junction, Cottage Grove and other portions of Lane county will not want to be left behind, so will send in votes for some favorite.
This is a contest that every man, woman and child can enter into with the greatest enthusiasm, for the honor to be gained is worthy the battle royal.
From time to time the committee will publish the result of the voting the names of contestants, number of votes received, etc., so that all may be kept informed. The contest will close before July 1.
The First National bank put up awnings over the south windows today as a protection against summer heat.
Mr. P. Kechem of Pike City, Cal., says: "During my brother's late sickness from sciatic rheumatism, Chamberlain's Pain Balm was the only remedy that gave him any relief." Many others have testified to the prompt relief from pain which this liniment affords. For sale by DeLano.
Five years ago yesterday backwater from the great Columbia river flood submerged a good deal of Portland, the highest record of the Willamette river being 33 feet above low water mark. The flood covered the business portion of the city to the intersection of Fifth and Washington streets.
W. M. Gallagher, of Bryan, Pa., says: "For forty years I have tried various cough medicines. One Minute Cough Cure is best of all." It relieves instantly and cures all throat and lung troubles. Vincent & Co., Corner Drug Store.
The Canadian Pacific railroad has met Northern Pacific competition by clipping 24 hours off its time schedule across the continent. Passengers from coast points after June 12 will be set down in Montreal or Toronto in an even 100 hours.
What is Kodol Dyspepsia Cure? It is the newly discovered remedy, the most effective preparation ever devised for aiding the digestion and assimilation of food, and restoring the deranged digestive organs to a natural condition. It is a discovery surpassing anything known to the medical profession. Vincent & Co., Corner Drug Store.
Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead and plan ahead, so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Cough, Cholera and Diarrhoea Remedy in the house, the skillful fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars, and then wonders why his neighbor is getting richer while he is getting poorer. For sale by DeLano.
Sick Headaches.
The curses of overworked woman-kind, are quickly and surely cured by Karl's Clover Root Tea, the great blood purifier and tissue builder. Money refunded if not satisfactory. Price 25 cts. and 50 cts. Sold by Wilkins & Linn.

FIELD DAY SPORTS

Intercollegiate Contest at Salem Saturday.

TEAMS IN GOOD CONDITION.

Daily Guard, June 8
The fifth annual intercollegiate field day occurs at Salem on Saturday June 10, and the list of athletes entered from the six schools competing indicate it will be the most hotly-contested of any event yet held.
The list of entries published in the Salem Statesman today shows the agricultural college and University of Oregon with a full representation in each event, and the day, it is generally conceded, will prove a battle royal between two good institutions.
The U of O team and admitters will go down tomorrow in a special car.
B. F. HARDING DYING.
Cottage Grove, Or., June 6.—Hon. B. F. Harding was stricken with paralysis yesterday, and unless an immediate change takes place his chance for recovery is very uncertain. He refuses to take any nourishment and is gradually getting weaker.
Mr. Harding is 67 years old, and has been a resident of Oregon for 50 years. He was United States attorney before the organization of the state government, and was three times a member of the territorial legislature. He was elected United States senator in 1862 to fill the unexpired term of Colonel Edward D. Baker, and was succeeded in 1865 by George H. Williams. Mr. Harding was one of the leaders of the Union, or Douglas, democracy in Oregon in war times. The fight that he made on United States Senator Delazon Smith was largely the cause of Smith's defeat for re-election, and retirement from the politics of Oregon.
Mr. Harding is Oregon's oldest ex-United States senator in point of service. General Lane, Delazon Smith, J. W. Nesmith, E. D. Baker and Benjamin Stark, who preceded him to the senate, are dead.
Pianos and Organs by Mail.
Doesn't that sound odd? Let me explain. Many people at a distance want an instrument, but do not care to expend the time or money needed to visit me. To all such I say: "Write and give me some idea of what you need"—what price you care to pay, and method of payment you prefer. I will then undertake to deliver you an instrument that is sure to please you. By this means you save all trouble, risk and expense and I give you the benefit of the salesman's salary and traveling expenses. You can safely place yourself in my hands. Ask any bank or business house in Eugene. Write at once if you need anything in my line.
Largest music house in Oregon outside of Portland and not far behind any there.

To Oak Hill Cemetery Patrons.
All persons in any way interested in the above cemetery are hereby notified to meet at said cemetery on June 17, for the purpose of cleaning up the same and transacting other business. Come early, bring tools to work with, and put in a good day's work. Ladies especially invited to bring dinner.

POSTOFFICE ROBBED

Safe in Cottage Grove Office Blown Open and Contents Abstracted.

A COMPLETE HAUL MADE.

Daily Guard, June 8
About midnight last night the safe in the Cottage Grove postoffice was blown open and all the contents taken. It is not known how much the robbers secured, as Postmaster Sherwood refuses to make any statement until a postoffice inspector arrives, but street talk at that place states the loss as high as \$750 and as low as \$50.
Commissioner Bailey returned from that place on today's 10:50 local and stated to a GUARD reporter that no clue was gained as to the guilty parties. The job was complete, the safe was demolished, and the appearance of the building is like as if a cyclone had struck it. Cottage Grove citizens are greatly stirred up over the matter, for robberies have been frequent there for the past few months.
FURTHER PARTICULARS.
Eugene officers have been notified regarding the robbery. From the reports received it is believed the loss will prove to be between \$900 and \$1,000.
It is learned that the tools used in the affair were taken from the workshop of Griffin & Veatch, with the exception of the drill. The safe door was drilled directly through the center, and the explosion literally tore the safe to pieces. A can of kerosene, near by, was blown open also, but the oil did not ignite. The Cottage Grove officials incline to the opinion that the robbery was done by home talent.
The nightwatch heard the explosion and made an investigation, but finding nothing wrong, and everything apparently quiet, did not discover until this morning that the robbery had occurred.
HOT IN EUROPE.
The Heat Responsible for a Case of Suicide.
London, June 7.—A hot wave similar to the one affecting New York prevails over Europe. Hot weather so early in June almost breaks all records. Thermometers in this city have been registering 88 in the shade for five days past. There have been several deaths from heat. A commercial traveler committed suicide yesterday, saying: "I must get out of the world; I will suffocate."
HANNA WILL HOLD ON.
Denies the Story of Intended Chairmanship Resignation.
CLEVELAND, O., June 7.—Senator Hanna today flatly denied the report sent from Washington that he intended to retire from the chairmanship of the national republican committee.
Story of a Slave.
To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitter, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by Wilkins & Linn, Druggists.
Died.
Daily Guard, June 7
Ezekiel Bailey died at his home in Indian Valley, Idaho, May 24, 1899, aged 75 years. He was one of Oregon's pioneers coming here in 1850 or 1851 from Missouri. He was born in Kentucky in the year 1824. In 1853 he married a Mrs. King. He left six children; Mrs. James Callaway of Lane county, Mrs. Geo. Wan, of Mitchell and John H. Jeff D. and Lee of Idaho, and Martha of Douglas county.
Mr. Bailey removed from Lane county in 1875, first to Mitchell, Crook county, thence to Idaho. He was an active participant in the Rogue river Indian war of 1856-7. He was a true man and his Lane county friends will be sorry to learn of his demise.
DIED.—Mrs. J. S. Custis died at her home near Smithfield, in this county, Tuesday, June 6th, 1899, of pneumonia, aged 65 years and 11 months. The interment takes place at the neighborhood cemetery Thursday forenoon, June 8, at 11 o'clock. Rev. E. A. McAllister of this city, will conduct the funeral services.
Volcanic Eruptions.
Are grand, but Skin Eruptions rob life of joy. Bucklen's Arnica Salve cures them, also Old, Running and Fever sores, Ulcers, Boils, Felons, Corns, Warts, Cuts, Bruises, Burns, Scalds, Chapped Hands, Chilblains. Best File cure on earth. Drives out Pains and Aches. Only 25cts a box. Cure guaranteed. Sold by Wilkins & Linn, Druggists.
Extras for mowers of all kinds—Deering, Woods, Osborn, McCormack, Plano, Red White and Blue, Empire, Champion, and others now on hand at F. L. Chambers'.

FIVE CENTS A VOTE

Price of the Goddess of Liberty Contest.

ENTHUSIASM IS BEING AROUSED.

Daily Guard, June 8
Voting on the Goddess of Liberty for the Eugene Fourth of July celebration will not begin until tomorrow, as the tickets will not be placed on sale until this evening or early tomorrow morning.
VOTING PRICE.
Single votes will cost 5 cents, six votes for 25 cents, and 25 votes for \$1. The price is so low that scarcely anyone will refrain from voting, and some many times.
Remember that while the polling places will be at the four drug stores of the city, tickets will be placed on sale at all business houses, enabling the friends of candidates to purchase votes conveniently.
The idea of a selection of a Goddess by popular choice, is taking well and many favorable comments are heard regarding it. The voting promises to be live and spirited.
The polls will close at 9 o'clock on the night of June 30, and by that time many hundreds of votes will have been cast. The public will be kept informed of the progress of the contest through the press.
COTTAGE GROVE ROBBERY.
No Further Particulars are Obtainable.
Reports from Cottage Grove today give no further particulars regarding the postoffice robbery at that place Tuesday night. The job was one of the best ever undertaken in this part of Oregon, and the officers are unable to obtain definite clues. The loss is not yet known, as Postmaster Sherwood prefers to await the report of a postoffice inspector, but it is generally conceded to be from \$700 to \$1,000.
The Power of the Press.
"The power of the press" is a common expression, but few really realize its actual power. Deep thinkers do not hesitate to assert that half the crime of our country may be traced to this source. But great as is the influence of the press, it cannot begin to equal the power of Hostetter's Stomach Bitters over disease. Most diseases originate in a weak stomach. The Bitters strengthen the stomach, purify the blood and cures constipation. It will tone up the nervous system and stimulate inactive kidneys. As an appetizer it is unequalled. It cures sick people, and an occasional dose regulates the bowels and prevents well people from becoming sick. If you want to get well, use Hostetter's Stomach Bitters.
Profitable Fighting.
New York, June 7.—At a recent auction sale of boxes for the Fitzsimmons-Jeffries fight every box of the 725 was sold realizing \$21,000 at \$25 a box. Nearly all of the 1000 ten-dollar seats have been sold, also the 658 fifteen-dollar seats.
The total number of seats, ranging from \$5 to \$25 each, are 8174. Total amount for which they are listed \$79,020.
Remarkable Rescue.
Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use, and after taking six bottles, found herself sound and well; now does her own household work, and is as well as she ever was. Free trial bottles of this Great Discovery at Wilkins & Linn's Drug Store. Only 50 cents and \$1.00; every bottle guaranteed.
Residence Burned.
MONROE, Or., June 7.—The dwelling of Hon. R. J. Nichols, representative from Benton county, was destroyed by fire this morning. The fire was caused by a defective flue in the dining-room. The loss is estimated at \$1500. The building and contents were insured for \$800.
Slightly Improved.
Cottage Grove, Or., June 7.—The condition of ex-United States Senator B. F. Harding was somewhat better today. During the day he ate half an orange. This is all he has eaten for three days.
OFFICERS ELECTED.—At a regular meeting of the United Artisans, June 6th, the following officers were elected for the ensuing term: J. A. Currie, M. A.; J. W. West, Supt.; William Vincent, Insp.; Helen Huston, Secy.; Carrie Rankin, Treas.; Alice Vincent, Sr. Con.; Belle Chapman, M. C.; Alice Croner, Jr. Con.; Hattie Spencer, F. C.; O. V. Roberts, F. C.
Lebanon Express: "Mrs. E. Lonsberry returned Friday from Eugene, where for the past five months she has been teaching stenography and typewriting, and also doing typewriting for attorneys. Harry Randle returned to Eugene Saturday evening. He will return home in a week, and after spending the summer in selling stereopticon views, will enter an Eastern medical college next fall."

SLUSLAW JETTIES.

The Work is Improving the Bar Greatly.
Oregonian: Captain W. W. Harts, corps of United States engineers, has just returned from an inspection of the various government work along the coast of Oregon now under progress, and also the jetty work at Coos Bay, Coquille and Sluslaw, for which bids are soon to be taken, and specifications of which are now ready for distribution to contractors.
He crossed the mountains from Eugene to Florence, and inspected the quarries and the machinery to be used in connection with the jetty work to be done there, and found them in very satisfactory condition. The shoal at the end of the jetty there, which is completed about 1000 feet out, has been scoured away by the action of the water, and the extension projected for this season will have to be shortened from 800 to 500 feet, on account of the increased depth of water. The jetty is completed, has produced a marvelous effect, the old channel being completely closed, and a new one opened, and this season's work will be a great assistance in maintaining this permanent channel, as every foot of extension will count.
DIED.—At her home on the Sluslaw river, May 29, 1899, of quick consumption, Miss Alice M. E. Fraiser, aged 22 years, 7 months and 11 days.

The Buildings Will Be Erected Here This Summer.
THE WOOD.
Daily Guard, June 8.
Mears Royce and Peterson, of the Lebanon Excelsior Co, have just returned from inspecting wood being cut at Jasper. This contract is for 1,600 cords of balm timber and the same will be floated here during the summer. They also have between 400 and 500 cords at Coburg which will be floated here.
They have procured the vacant ground just north of the Water Company's pumping station, upon which they will erect buildings and sheds before next fall to be used in their business.
The mill will be moved here by January 1, 1900, and placed in operation. Eugene needs more such enterprises and can afford to pay liberally for them.

"I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy, by a friend, who, knowing me to be a poor widow, gave it to me, I tried it, and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. Respectfully, Mrs. MARY A. BEARD, Claremore, Ark."
