Eugene Loan & Savings Bank Buys the Peters Corner.

Last Friday the Eugene Loan & Savings bank purchased from Ben Jennings a half interest in the brick block on the corner of Eighth and Willamette streets now occupied by A V Peters dry goods store, and today purchased the other half from Mr Peters paying therefor a total of \$7000.

Speaking for the bank officials W W Brown, assistant cashier, informed a GUARD reporter that early next spring they would tear down the present store and erect on the ground a modern banking building which will compare favorably with any similar structure between Portland and Sacramento.

This institution has, during the past few years, enjoyed a fine increase in business and is keeping in touch with modern ways and means along their line. This purchase is only one of the substantial proofs of their business acumen.

San Francisco's Disappointment.

Telegram: In the rejoicing over the change of plan in favor of Portland instead of San Francisco for the landing place of the Oregon regiment, we of Oregon can sincerely sympathize with the patriotic and generous San Franciscans in their disappointment. Whatever selfish and improper influences may have been at work to bring the Oregon soldiers to San Francisco and keep them there till discharged, we realize that the motives and impulses of the people generally down there were hospitable and generous and good. The people of the Bay City would have given the Oregon boys a sincere and unselfish welcome, second only in warmth and enthusiasm to that which awaits their own regiment a little later there, and ours here.

Flood Sufferers Ask Relief.

Washington, July 10.—The secretary of agriculture has been appealed to on behalf of the flood sufferers of Texas to send supplies of corn for their use. He has been compelled to decline them as there is no appropriation for such purposes. Secretary Wilson has been sending all quick-growing seeds the department has in store, in the hope that they may be planted in time to be productive this season.

Frightened to Death.

San Francisco, July 10.—Death called Dr. Mary C Edmond, a well known physician of this city, in a tragic fashion at her home at 913 Bush street. The accidental setting off of a burglar alarm wrought up her nerves to such a strain that she suffered death by fright. She went to a window and blew a whistle. Help came, but just as she opened the front door she tottered and fell dead.

Tin-Workers Walk Out.

Lisbon, Ohio, July 10.—The skilled workmen in local tin mills went out on a strike today for the recognition of the union. As a result every department of the plant is stopped, and 800 men are idle. Although the mill has been paying the scale, the management announced it would never be run as a union mill. In view of the strike it is probable that the plant will be abandoned.

Bryan on Pike's Peak.

Summit of Pike's Peak, Colo, July 10.—Hon William Jennings Bryan came up today from Colorado Springs. The entire ascent of the peak was one continual ovation, camps being decked out in the national colors and scores of pleasure-seekers, from all over the country, being lined up along the track to cheer the silver leader as the train passed.

The Hundred Year Club.

A Hundred Year Club has been organized. The object is to study the conditions which promote longevity. After much study and research its members must arrive at the conclusion that the only possible way to attain long life is to take the best care of health. With all due respect we present the study of Hostetter's Stomach Bitters for consideration. This is a tonic for one of the most vital organs of life—the stomach. For fifty years it has cured constipation, indigestion, dyspepsia, biliousness, weak liver and kidneys. It makes strong stomachs, rich red blood, and steady vigorous nerves. If you accept a substitute don't expect it to cure like Hostetter's Bitters. See that a private Revenue stamp covers the neck of the bottle.

That Throbbing Headache

They make pure blood and strong nerves and build up your health. Easy to take. Try them. Only 25 cents. Money back if not cured. Sold by Wilkins & Linn druggists.

MONDAY JULY 10

JUNCTION STOCK YARDS.—The railroad stock yards at Junction City are not located in a position satisfactory to the town. At a recent meeting of the city council, Councilman J W Geary, chairman special committee, reported that they had had an interview with Mr Koehler in regard to moving the stockyard, being built near the hand stand and that they had purchased two lots north of the present stock yard and presented them to the railroad company on condition that they move the stock pen now being built. On motion the report of the committee was accepted and their action confirmed.

FELLON HIS SQUARE.—Fred Kinsey, well known in Eugene, and until recently engineer of the reform school at Salem, met with an accident a few days ago, by which he sustained a severe and peculiar injury. He was crossing a vacant lot with a saw and steel square under his arm. In some way he stumbled and fell. One end of the square entered his right arm near the elbow, underneath, and cut a gash reaching almost to the wrist. A physician was called and the gash was sewed up. Mr Kinsey will be laid up for some time.

PLEASANT PICNIC.—Yesterday about 22 young people from this city and Harrisburg held a picnic on the banks of the Willamette near the Harrisburg ferry. Those attending from this place, mostly boys, gleefully assert that those from Harrisburg, mostly girls, cannot be excelled as entertainers, and that the lunch they served, was one to delight the eye and palate of an epicure. A second edition will probably be given in a short time.

A CLEAN-UP.—The Oregonian reports that R. Smoole, formerly of Eugene, made a strike in Dawson City, and is now enroute out with \$3000 in shining dust as a result of eight months work.

TUESDAY JULY 11

OREGON BEETS.—Mr Larson, field superintendent for the Oregon Sugar Company, reports that the work of thinning the beet fields is practically finished, says the La Grande Chronicle. Some of the later fields are not entirely thinned out but will be in a few days more. It is Mr Larson's opinion that the beet crop is in an excellent condition. The average of the earliest planted beets is now about ten inches in length by six inches in circumference. This is the relative proportion of ideal beets that are prolific in the yield and so rich in the sugar. Mr Larson says that reports that unfavorable conditions prevail are untrue.

A SITUATION.—Geo T Hall Sr, and family are spending their vacation at their pleasant summer home at McKenzie Bridge. The other day George was out fishing accompanied by his wife, and trusting too much to a rotten limb went into the turbulent river. It is not a pleasant stream to get into, nor for that matter safe either, but the unlucky fisherman managed to crawl out, and went back to the place where the accident befell him. He found that Mrs Hall had fainted from the fright, and it took him some time to restore suspended animation. Hereafter George will take his fishing trips alone—at least when he expects to fall into the river.

CHANGED HANDS.—Messrs W G and W F Gilstrap have leased the Eugene Register for a period of two years, and took formal possession today. As heretofore, the paper will be conducted politically along the lines of administration republicanism. These young men are well known in Eugene, and at one time conducted a newspaper at Springfield. They are trained men in the business and good writers. W F Gilstrap, who is now in Prescott, Arizona, will arrive about August 15. C D Edwards, who retires, leaves for the mountains, today, hoping to benefit his health.

INCORPORATED.—Articles of incorporation of the Cottage Grove and Bohemia Telegraph and Telephone Company were filed in the clerk's office today, by I H Bingham, B Lurch, D Bristow, Frank Jordan and R J Jennings. Principal office business at Cottage Grove; capital stock, \$5,000; value of each share \$1.00; duration of corporation perpetual.

WILL WED.—Clerk Lee today issued a marriage license to Dr Charles Freidel and Miss Jessie B McClung.
