METHUEN IS NOT RECALLED

**Buller's Inaction at Tugela Due
to Ammunition Famine.**

TUGELA BATTLE UNCONFIRMED.

Special to the Guard.
LONDON, Jan. 11.—Notwithstanding
that General Roberts and Lord Kitch-
ener have arrived at Cape Town, im-
patience prevails that even this early no
definite news of aggressive advance
work comes from that point. The
English people are becoming feverish
in their craving for a pronounced
change in the fortunes of war.

BULLER'S TUGELA ACTION.
When the news arrived that General
Buller did not cross the Tugela river
and advance to the aid of General
White at Ladysmith during the recent
bombardment, it was wrapped in com-
plete mystery, because no explanation
accompanied the report. It is now
rumored that Buller failed to advance
simply because he had an ammunition
famine, and no shells could be ob-
tained. This misfortune is considered
great, because he might have been able
to strike a decisive blow with White's
assistance.

BATTLE RUMORED.

The rumor of a battle in progress at
Tugela river is not confirmed.
METHUEN TO REMAIN.
The war office today denied the re-
ports current that General Methuen is
to be recalled on account of the poor
generalship he is supposed to have
displayed.

The Six Day Bicycle Race.

There is a movement on foot to pro-
hibit six day bicycle races, on the
ground that they are brutal. No doubt
the long period of exhaustion the con-
testants undergo is ruinous to the con-
stitution. But are not things done
every day that are equally so? Take
for example the man who neglects his
stomach. This means impoverished
blood, weakness and debility. There is
only one way to get good health, and
that is by taking Hostetter's Stomach
Bitters. This wonderful medicine aids
digestion, tones the system, and fills
the veins with rich red blood. It cures
biliousness, constipation, dyspepsia and
nervousness. It has been the standard
medicine of the American people for
fifty years. So that a private revenue
stamp covers neck of the bottle.

DEWEY WILL SEE DUTY

**The Clark Bribery Case Assumes
Interesting Phases**

LT COMMANDER GREENE SUICIDES

WASHINGTON, Jan. 11.—The reci-
procity treaty with France is proving
to be difficult thing for the depart-
ment of state to handle. It will re-
quire a closer attention to detail on ac-
count of existing technicalities than at
first anticipated.

DUTY FOR DEWEY.
The naval board has agreed that
Admiral Dewey will be assigned to a
sphere of duty by the secretary of the
navy. The new rank he now holds is
for life he so cares to consider it, and
age limitations will not affect him.

TWO CLARKS IN TROUBLE.
State Senator Clark of Montana, wit-
ness before the senate committee on
Clark bribery case, made the sensa-
tional statement to say that he received
\$10,000 for supporting Clark for the U.
S. senate. This confession is consid-
ered remarkable in that the person ac-
cepting a bribe is equally guilty before
the law with the person offering a
bribe. More sensational features in
the investigation may soon appear.

SUICIDE OF LT-COM. GREENE.
Admiral Schley cabled the war de-
partment from Montevideo that Lieut-
enant-Commander Greene has com-
mitted suicide. No details.

HORRIBLE ABUSE
Winnie Thorne, the Cottage
Grove Girl, Shamefully
Treated.

OFFICERS WORKING ON THE CASE.

COTTAGE GROVE, Or., Jan. 10.—Miss
Winnie Thorne, who disappeared Sun-
day night, was returned home on
Tuesday morning's overland, in a
most wretched and shameful condi-
tion. Her story and experience as
told is one of the worst crimes ever
perpetrated in the state.

She says that as she was on her way
to Latham from church services here,
the south-bound freight train was just
this side of Latham taking wood. Just
before the train started two men
caught her and put her on a flatcar,
she not knowing what transpired till
the train got nearly to Comstock,
when she was put in a boxcar. Be-
tween there and Roseburg, four men
shamefully misused her. The boxcar
was locked and she was kept there un-
til about noon the next day, when two
strange men let her out. She went to
a house and got something to eat and
ascertained where her uncle lived,
some two miles distant. Upon reach-
ing there she was given some food and
was brought back to the station and
furnished a ticket for Cottage Grove.

Marshal Miller took her home from
the station. When crossing the bridge
she attempted to jump in the river,
saying she was disgraced and had
nothing to live for.
Sheriff Withers and Prosecuting At-
torney Harris, of Eugene, came up
and are investigating the case. A
physician states that the case is fully
as bad as reported. Three warrants
were sworn out, and the sheriff and
constable left on this afternoon's train
for Roseburg, where further develop-
ments will be made.

**Having a Great Run on Chamberlain's
Cough Remedy.**

Manager Martin, of the Pierson drug
store, informs us that he is having a
great run on Chamberlain's Cough
Remedy. He sells five bottles of that
medicine to one of any other kind, and
it gives great satisfaction. In these
days of a gripe there is nothing like
Chamberlain's Cough Remedy to stop
the cough, heal up the sore throat and
lungs and give relief within a very
short time. The sales are growing,
and all who try it are pleased with its
prompt action.—South Chicago Daily
Calumet. For sale by W. L. DeLano.
