BRYAN.

Of Lane County Nominated To-William J. Bryan has a wonderful hold on the plain common people of the country. The crowd that thronged Eugene today to see and hear the silver and anti-trust champion was sufficient demonstra tion of his popularity.

The cause of his deep hold on the citizens of this republic is of easy determination. He says that less than a billion dollars of gold, held mainty in large capital, should not be made the basis of the nearly circuit court room. Dr H F Me-Cornack, chairman of the county centhree billion dollars of money of Cornack, chairman of the county cen-tral committee called the meeting to order. Hon 8 H Friendly was elected chairman of the convention, and Darwin Bristow secretary. The preliminary work of organiza-tion was carried out at once, by the appointment of the following com-mittees: Credentials-C A Hardy of Engang the country. That trusts and combinations should not be allowed to rob the toiler of his hard earned wage.

What more reason is wanted for Bryan's popularity?
