THE NICKERSON COMBINATION TRUPE.—This famous Trupee made their debut in our town, on Wednesday night, last, and has been giving a series of the rarest performances. The public can well rest assured that there is no bill in their promises. Their music, vocal and instrumental, is most exquisite—their comic and elg dances are of the very best order. The performers in the latter have certain attained to a degree in that science, beyond which there can be no advance. Their effort at the comic drama is rare, rich and spicy, which never fails in bringing down the house in the hilarious side-splitting accompaniment. We pass the Trupee as one of real merit; whose bearing in their profession, bespeaks a department to which the most exacting could take no exceptions. And we hereby commend them to the public. They will give their last performance to-night.

It is a great mistake to suppose that the cause of rheumatism, neuralgia or gout exists where the pain is experienced. The source of these diseases is generally seen in the blood, and it is one of the special properties of Dr. WALKER'S VEGETABLE VINEGAR BITTERS to neutralize this deposit, while it renovates the relaxed kidneys and thus prevents them from permitting a portion of their secretion to escape through improper channels. Torpidity of the stomach has also much to do with the vitiation of the blood, and upon this organ the Bitters act directly as a stimulant and invigorant.
